Mr. Click Relander, City Editor,  
Yakima Republic,  
Yakima, Washington.

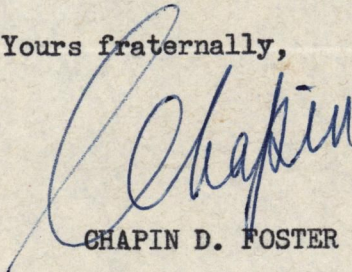

Dear friend Click;-

Congratulations on the journalistic honors which have come your way and which I know are very thoroughly deserved.

If you continue associating with Indians to an increasing extent, it will be necessary for you to let your hair grow long and do it up in braids and adopt other customs of your tribe.

In the meantime,- congratulations!

Yours fraternally,

CHAPIN D. FOSTER
