Mr. J.H. Gipson, president,
The Caxton Printers, Ltd.,
Caldwell, Idaho.

Dear Jim:

Thanks for sending out the proof sheets to Mr. Leland L. Yost as noted in your letter of May 11.

Mr. Yost knows about the need for expediency in event of any vital changes, and it would not have to be held up at all for that possibility, which is remote. It is a "courtesy" to a Department that has a keen interest in Indian matters, and will, I am sure, result in cooperation at a high level, both with the Department and on the part of anthropologists, that will mean ~~no~~ much later in book sales because of "behind the scene" and also scholarly magazine publication endorsements.

The proofs have been returned and you should have received them by now.

Next Monday I go to Pasco to make the luncheon speech at the Chamber of Commerce and it is to be broadcast (28 minutes) over the Pasco radio station that night. It is a historical talk regarding Pasco and the Indians, but will be the occasion to point out that the Indians and I will be returning, with the book.

I am now at ~~xxx~~ work on the itinerary and the library mailing list, together with "numerous" other promotional details that will pay off, I am confident.

Sincerely
