Dear Chick Rolander:
Of course
I will autograph the
two books you have
that I issued about
my father, St.
interests and to
show when, how,
& from whom you
obtained the 1945

At
Juanita's
Wigwam

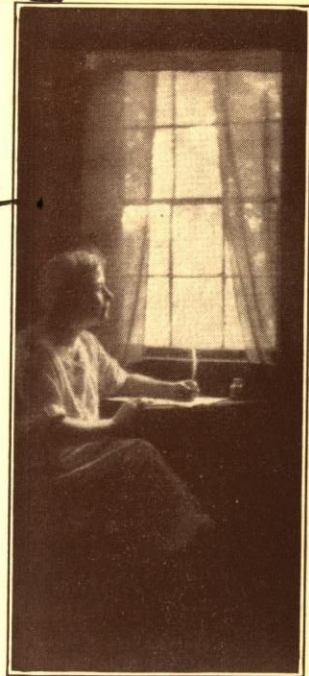

Selections as that will
help me learn how
to place them. Yes,
my father went up
to interview Evans
& as soon as Σ ,
was released he came
here to thank my
father for wise advice.

Sincerely yours
Juanita Miller
