Each unit in the Lodge has complete accommodations for four, including private bath (tub and shower), roomy closets and a secluded sun deck overlooking Parker's Reef and popular Sucia Island.

The modern coffee shop is centrally located on the main floor of the Lodge. Breakfasts and short order meals are tastefully prepared throughout the day.

Year around, Bartel's Resort is open to serve its guests with warm hospitality and cordial conversation. Bartel's is rapidly becoming known as Orcas Island's family vacation site. Parents can be assured their children will safely take advantage of the recreational activities provided just for them . . . table tennis, television, checkers, dancing, lawn games, swimming, beachcombing and lots of running space . . . all "tools" for active youngsters to "build" happy memories of their Bartel's Resort vacation.

Even with so much activity, Bartel's is also the perfect spot for those seeking a serene atmosphere and the closeness to nature which can be found on quiet beckoning beaches, or down cool tree-laden lanes that surround the resort.

Boaters are welcome at Bartel's. The marked channel entrance directs even novice yachtsmen to the dock facilities which include pre-mix gasoline, oils, ice, bait, overnight moorage plus use of the grocery store, laundromat, public rest rooms and showers. A skilled outboard motor mechanic is also on duty. Charter boat service, boat, motor and fishing tackle rentals provide guests, without their own gear, an opportunity to cruise or fish the waters of the San Juans.

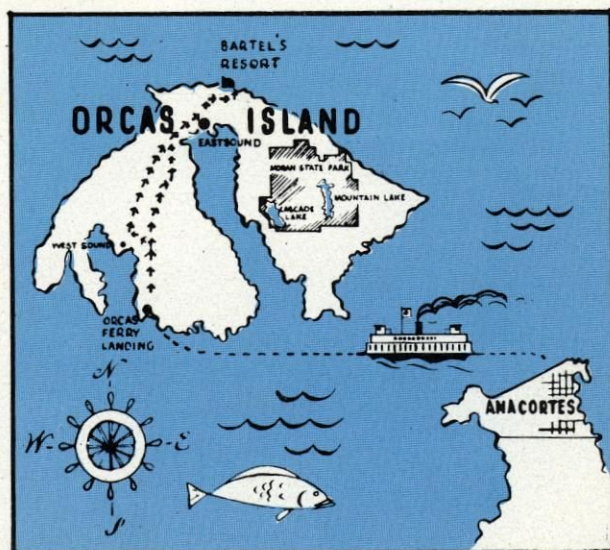

Nightly beach fires are becoming a tradition at Bartel's. Happy vacationers gather 'round to watch the sun set behind Canadian Islands to the west in a blaze of color . . . the perfect ending to a perfect day of resort living . . . Orcas Island style.

The fine gravel beach is clean and safe for even the smallest children. Smooth, surf-washed rocks hold many interesting forms of sea life at low tide which offer hours of enjoyable leisure for all members of the family.

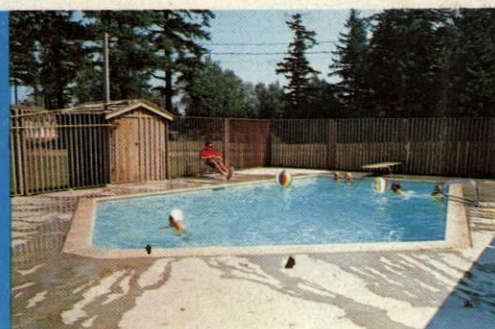

Bartel's Resort is centrally located, just two miles from the village of Eastsound and one mile from the Eastsound Airport. The fine Orcas Island Golf Course is minutes away via paved roads, as is famed Mt. Constitution, the highest point in the San Juan Islands. Bartel's, situated on the North Shore of Orcas, is commonly described as the "summer salmon belt". Kings and silvers are taken regularly from June through September.

Vacation days last longer at Bartel's . . . our geographic setting permits maximum sunshine for maximum fun time.
