

FAIR OF FORMER DAYS — Fair time was a big annual event in Yakima's pioneering days. It will be the same next Sept. 27-Oct. 1 when the Central Washington Fair is again held. The Frank Lanterman collection of old photographs, acquired by Yakima Federal Savings & Loan Association and made available through the courtesy of the association, contains many scenes from early-day fairs. Yakima County's exhibit was prominent when the annual exposition was the State of Washington Fair, in 1904. The State Fair originated in 1895. The Central Washington Fair originated in 1939.
