**Keep in mind** the fact that a tall man cannot wear a suit that a short man should wear. This is the satisfactory feature on both the Newport and Normandie. They are absolutely correct in every and all requirements. But the man who is not over six feet tall is not overlooked; the same careful attention has been given him. The result is our Arvon, which also has much elegance of make and gives

### GRANT ELECTED SHERIFF

Runs Away From His Ticket—Balance of Republican Ticket Elected—Rigg and Reed Have Small Majorities in County.

The entire republican ticket with the single exception of Sheriff R. A. Grant was elected in this county Tuesday. Complete returns from all the precincts in the county except Bedrock, Rattlesnake, Mt. Adams and Tampico give Grant for Sheriff a plurality of 421 over H. A. Webber. Grant's majority will probably be increased by the returns from these precincts. Yakima county has gone over 600 majority for Mead. Roosevelt carried it by more than 2,000. Walter J. Reed and H. B. Rigg ran behind their ticket. Mr. Rigg lost North Yakima by 29 votes. Mr. Reed defeated Mr. Splawn 1 vote in this city. Krutz carried the city by 146 votes over McAulay.

## THE NATIONAL ELECTION

Roosevelt Will Probably Have 325 Electoral Votes—Carries Every Northern State.

### MONTANA.

BUTTE, Mont., Nov. 9.—Latest returns from the state give Dixon for congress a majority of 7,500 and Roosevelt a majority of nearly 10,000. Governor Toole, democrat, is re-elected, but the majority of the state ticket is republican and the legislature is republican.

### NEBRASKA.

OMAHA, Neb., Nov. 9.—The only part of the republican ticket in Nebraska left in doubt is that of governor. The vote for Roosevelt is unprecedented, and some estimates place his plurality at as high as 75,000 and there seems little doubt that it will reach at least 60,000.

### RESIGNED TO HIS FATE.

ELKINS, W. Va., Nov. 9.—At 1:30 o'clock this morning Henry G. Davis said:

"I have no statement to make for publication. The returns show that the country has gone overwhelmingly republican. I will be highly gratified if my home town and county give me a good vote."

### ROOSEVELT HAS 325 VOTES.

NEW YORK, Nov. 9.—President Roosevelt probably will have 325 electoral votes as the result of yesterday's balloting. This estimate, however, may be increased by eighteen votes from Missouri when returns from that state shall have been completed.

### MASSACHUSETTS.

BOSTON, Nov. 9.—The defeat of governor Bates for a third term by Douglas, the democratic candidate and the tremendous vote cast throughout the state were the noteworthy features of yesterday's election in Massachusetts. Mr. Douglas will be the first democratic governor elected since 1892.

With one ward and one small town missing, the vote for president was: Roosevelt, 257,446; Parker, 168,417; Roosevelt's plurality, 89,501.

admitted by democratic headquarters that Roosevelt has carried West Virginia by a majority of 10,000, but it is claimed that Cornwell, democrat, has defeated Dawson, republican, for governor and that possibly the entire state ticket may go into office on the anti-Dawson wave. The republicans have the legislature on joint ballot, but by reduced majority, insuring the return of N. B. Scott to the senate. Republicans have elected three of the five congressmen, while the democrats claim Walker wins over Dayton in the Second and Murdock over Woodyard in the Fourth.

### NEW YORK.

NEW YORK, Nov. 9.—The latest returns from New York state, with some districts missing, indicate pluralities of 168,791 for Roosevelt and about 74,000 for Higgins. Roosevelt has approximately 206,000 outside of the greater New York, while Parker's plurality in the city is less than 38,000.

### COLORADO.

DENVER, Colo., Nov. 9.—Estimates based on the returns received up to 9 o'clock today indicate that Roosevelt's plurality in Colorado will be about 20,000, and that Alva Adams, democrat, will have at least 5,000 plurality over Governor James H. Peabody, republican, for governor.

Returns on the scratched ballots, estimated to be more than 50,000 in the state, are coming in slowly. So far as counted, the ballots average two to one in favor of Adams. Peabody loses many counties which have always been considered republican.

SALT LAKE CITY, Utah, Nov. 9.—Partial returns from fifty voting districts of the state, mostly Salt Lake City, give Roosevelt 7,550 and Parker 4,204. If this proportion is kept up, Roosevelt's plurality in the state will exceed 15,000. The entire republican state ticket is elected by majorities considerably less.

### CLOSE IN THREE STATES

St. Louis, Nov. 10.—Unofficial returns from 85 out of 114 counties in Missouri give Roosevelt a plurality of 10,495 and Folk 36,813.

Baltimore, Nov. 10.—Upon the face of the unofficial returns Roosevelt has carried Maryland by a plurality of 126. The actual result will not be known until the official count is made. There is some probability of a mixed electoral vote.

Denver, Nov. 10.—The defeat of Governor Peabody by Alva Adams, democrat, is admitted. The democrats will control both branches of the legislature.

### ROOSEVELT WILL NOT BE A CANDIDATE AGAIN.

Washington, D. C., Nov. 8.—President Roosevelt, tonight after the election returns clearly indicated the results, issued this statement:

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and have tried to do. I appreciate to the full the solemn responsibility this confidence imposes upon me and I shall do all that in my power lies not to forfeit it. On the fourth of March next I shall have served three and one-half years, and this three and one-half years constitutes my first term. The wise custom which limits the president to two terms regards the substance and not the form, and under no circumstances will I be a candidate for, or accept another nomination."

### DEMOCRATIC GOVERNORS.

The democrats elected governors as follows:

Florida, Napoleon B. Brozard.
Massachusetts, William L. Douglas.
Minnesota, John A. Johnson.
Montana, Joseph K. Toole.
North Carolina, Robert B. Glenn.
South Carolina, D. C. Hayward; no contestant.
Texas, S. W. T. Lanham.

### Hops Going Up.

According to A. E. Poole, a hop buyer, hops are destined to go much higher. He says that he sold 400 bales Monday on the cars here for 31 1-2 cents. He would not tell who they were sold to.

Guy Grafton, another hop buyer, bought 141 bales Monday from William Todd for which he paid 30 cents a pound.

### THE CITY VOTE

North Yakima Treated the Democratic Candidates with Consideration—The Vote by Precincts.

The rural districts of Yakima county saved some of the republican candidates from defeat last Tuesday. The city of North Yakima was very close in several cases and although running strongly republican for the head of the ticket, Hon. A. J. Splawn, Judge E. B. Preble and Sheriff R. A. Grant polled a very large vote. Grant and Preble both carried the city and Senator Splawn lost it by one vote. Following is the vote by precincts on the following candidates:

### Paid the Bet.

It was funny to see Frank Clemmer wheel George Barber down Yakima avenue Thursday morning in a wheelbarrow. It was necessary for Mr. Clemmer to do this in order to pay an election bet. He bet on Webber for Sheriff against Grant and by their agreement the one who lost was to push the other in a wheelbarrow from Clemmer's barber shop to the depot and back. A large crowd gathered to witness the exhibition. The wheelbarrow was decorated with bunting and flags. On a box in the barrow sat Mr. Barber smoking a ten-inch cigar made especially for the occasion. He wore a high plug hat and appeared as though he thoroughly enjoyed the ride.

### MEAD'S PLURALITY ABOUT 14,000.

Seattle, Nov. 10.—According to returns from all counties in the state, complete in some cases and incomplete in others, the majority of Mead for governor is in the neighborhood of 14,000. Chairman Palmer of the republican state central committee thinks it will not fall below this figure, but will probably exceed it by a few hundred.

Combined with the Yakima Washingtonian January 1, 1904.

Published every Saturday at the Democrat Printing House, No. 7 First street, North Yakima, Wash.

Entered at the North Yakima postoffice as second class mail matter.

The Yakima Democrat is the only Democratic Journal in Central Washington.

North Yakima, Wash., Nov. 12, 1904

Now that the election is over the Republic is of the opinion that A. J. Splawn is a very decent sort of fellow, although just previous to the great landslide the local Republican organ was of the opinion that "Jack" is a railroad man and is therefore not to be trusted to look after the interests of the people. It is simply a case of before and after.

No eulogy of Mr. Splawn is necessary among the people who know him. The voters who defeated him for re-election to the state senate last Tuesday as a rule are not the people who know Mr. Splawn, but are the new class of voters who neither knew the man or the conditions in this country. Among the intelligent, old line Republicans of the county familiar with both candidates and conditions Mr. Splawn received a very heavy vote and would easily have been elected had it not been for the overwhelming sentiment in favor of Roosevelt in Yakima county as everywhere else apparently. There is nothing in the election returns but what is highly creditable to Senator Splawn.

Local Republican politicians are a little sore over their failure to "beat Grant." They employed apparently every device that they knew to defeat him but still failed notwithstanding the tremendous majority that they have in the county. They give seemingly every reason in the world but the right one why they didn't beat him. The real reason that they could not get his political scalp is that from one end of Yakima county to the other Mr. Grant is credited with being a most efficient officer and with a record to prove it. A secondary reason, and one that contributed not a little to Mr. Grant's success as this paper has repeatedly pointed out, was the personal fight made upon him by a local paper, the unfairness of which turned a number of votes in the sheriff's favor. Mr. Webster, his unsuccessful opponent, is a good citizen and a gentleman. No one has any fault to

find with him. He was the victim of conditions.

The proposition to establish a beet sugar factory at or near this city should not be permitted to languish. As this paper has before frequently pointed out the value of such an industry to this community is simply impossible to calculate. It would not only afford the farmers of this valley a new and very profitable line of agriculture, but it would give employment to hundreds of people throughout the summer and the sugar making season. In addition it would create a large amount of new property for the purpose of taxation and would add substantial value to every acre of land tributary to this city. There is every reason why the proposition to establish the factory should be encouraged and none that we know of why it should be discouraged.

The three gentlemen who have been elected to represent this county in the legislature have promised the people from the stump that they will vote for a railway commission bill. We do not understand that any of them agreed to use their influence, outside of their vote, in that direction, so too much ought not to be expected from the delegation.

Messrs. Reed, Hare and Johnson will be expected to make good on this proposition and the Democrat trusts that they will. If they do and aid in passing an honest bill this paper will give credit accordingly. If they fail to keep their pledges this paper can be trusted to tell its readers all about it. But let us hope that they will not fail.

The Wilson-Mead push were clever enough to work the old time jealousy between King and Pierce counties in the election of the governor. The story was freely peddled in Seattle that if King county was to have the next U. S. Senator that she must show up a strong majority for Mead. A similar story was circulated in Tacoma, the difference being that the pressure was brought to bear there on Foster and his friends. Sure enough this political blackmailing scheme worked as planned. The malcontents were whipped into line in both counties with the result that Mr. Mead becomes governor and the real will of the people has been frustrated. It's a sorry as well as a rotten state of affairs.

Dr. Hare seems to have received a very large bunch of votes at Prosser that he did not receive when a candidate two years ago. It would be interesting to know what has caused such a change in sentiment in the prospective seat of "Riverside" county unless the genial Doctor has been induced to change his mind on the proposition of carving out a new county. If the proposed new county is created The Democrat would suggest that it be given the name of "Boardman."

Teddy Roosevelt's popularity, whether it be real or imaginary, has swept agood many job lot politicians into high places.

When one stops to think that President Roosevelt received nearly if not quite 60,000 plurality in this state over Parker Mead's majority for governor looks pretty slim. In other words about 25,000 voters in this state who cast their ballots for Roosevelt refused to support the man from Bellingham. In view of the terrific fight that was made against him Judge Turner may be congratulated. There is no disgrace in being defeated under such conditions.

It has been suggested to Sheriff Grant that he ought to purchase Col. Robertson a suit of clothes or in some other manner seek to suitably reward the editor of the Republic for the timely and invaluable assistance rendered him in his campaign. In spite of his splendid record and his great popularity the Sheriff would very likely have went down to defeat along with the rest of the crew had not the tall Colonel gallantly come to his rescue.

Ex-Mayor T. J. Humes of Seattle dropped dead from heart disease on the streets of Fairbanks, Alaska, on Wednesday last. The ex-Mayor had but recently located at Fairbanks for the purpose of engaging in the practice of law. He was quite a noted character in the history of Seattle, having been three times elected mayor of Seattle.

Yakima county last Tuesday cast over 4100 votes, which number is about 1000 greater than was cast at the election of two years ago and is from 100 to 300 more than was estimated by the local politicians would be cast. We doubt if any other county in the state outside of King can show as good arate of increase.

The editor of this paper, who was one of the victims of Tuesday's landslide, returns thanks to his numerous friends for their support in the late campaign. We didn't get enough votes by several hundred it is true, but we got a few hundred from the opposition which we very much appreciate.

#### REFLECTIONS ON THE ELECTION.

The result of the national election amply demonstrates the fact that Mr. Roosevelt is popular with the people or at any rate that he is a good deal more popular than his late opponent.

There can be no other way to account of course, for the phenomenal vote that he has received in every northern state than through the fact that Democrats, by the tens of thousands who were dissatisfied with the nominee of their own party voted for Mr. Roosevelt, not because they particularly like the man but for the reason that they wouldn't stand for Parker. The terrific landslide can be accounted for in no other way.

The defeat of Judge Turner and the Democratic state ticket, we believe, is a matter that the producing element of this state will have serious reason to regret. There was a great issue at stake in the state of Washington and a majority of the voters have decided adversely on it. The Democratic party

took an open and manly stand in favor of proper regulation of the railroads of the state and the Republican party assumed the position that the railroads do not stand in need of regulation. On that issue Judge George Turner, not only the ablest Democrat in the state, but the ablest champion of the rights of the people made the race and has met with defeat. Tuesday was a bad day for the cause of self-government in this state.

The Democrat has no fault to find with Mr. Mead as governor elect. We had no faith in him as a candidate and opposed his election savagely. We are inclined to give him credit for being a man of good intentions, but distrusted him on account of his political and social affiliations. His connections with the railroad managers, we believed, were so close—a fact that has never been successfully denied—that we could not see how he could in reason be expected to stand for the reforms in railroad regulations that the people of eastern Washington so urgently demand. Now that he is elected, however, and is to be our governor for four years this paper will endeavor to judge his acts fairly. If he shows any inclination to give the people of eastern Washington justice in the matter of railroad regulation this paper will applaud the effort and give the new governor due credit therefor.

A number of very excellent men went down to defeat on the Democratic county ticket Tuesday and the editor of this paper is pleased to say this without reference to himself. We believed through-out the campaign and we believe now that it would be immeasurably better for the interests and the welfare of the people if these men who went down to defeat on the Democratic ticket had been elected. Like other good citizens, however, we bow to the will of the people and trust that the newly elected officials will render the public satisfactory service.

#### NEWS FOR THE AFFLICTED

Dr. Darrin to Make North Yakima Another Visit Nov. 22 to Dec. 3.

Will Give Free Consultation to all at the Hotel Yakima.

Dr. Darrin, who recently favored this city with a two weeks' visit met while here with brilliant success, and during that time hundreds availing themselves of his peculiar practice have been absolutely cured of diseases that have baffled the skill of all the old school practitioners. Cases that had been given up, and the patients who had been advised to spend no more time or money in the fruitless attempt of trying to cure an incurable disease, had been sent from the doctor's office, frequently after a few treatments, with new leases of life, rejoicing, painless and well, and crutches have been thrown away to be taken up no more. In fact the doctor has worked wonders and brought joy, health and happiness to hundreds of households. His rooms in the Hotel Yakima, were never without patients from morning to night, and few indeed, are the cases he treated that did not receive permanent benefit.

We take pleasure in announcing that the doctor has been prevailed upon to make North Yakima a return visit to accommodate those who were unable to avail themselves of his services during his recent visit. The doctor states that he will arrive about Nov. 22d, and will make his headquarters at the Hotel Yakima, where he will be pleased to meet his friends, patients and others that may call.

## COMMISSIONERS ADJOURN

Charges Against Health Officer Dismissed—Appoints Delegate to National Irrigation Congress at El Paso, Texas.

The county commissioners finished their work for this month Thursday afternoon and adjourned to meet again next on December 5, at the court house. All the evidence was submitted in the case of charges made by John Loudon of the Moxee, against health officer Frank, and it was decided that the evidence was insufficient to allow any action by the board, and accordingly the charges were dismissed.

H. B. and J. R. Scudder were appointed by the board as delegates to the National Irrigation Congress which will convene at El Paso, Texas, on or about November 15. Matters of vital importance to this and all irrigated sections of the United States will be taken up and discussed before this convention.

In the matter of the Zillah and Toppenish bridge extension the board will award the contract for said extension to C. E. Lum, but not until the people of Zillah pay over the \$706 promised by them for the grading of the Zillah and Toppenish road.

It was ordered by the board to advertise for bids on a bridge to be built over the Wenas creek at a point near the John Clemens place. The board ordered the readvertising of bids for the boring of an artesian well in the White Bluff country. The bids to be opened at 10:30 o'clock on the morning of Dec. 12.

### Granted a Divorce.

Mrs. Ira P. Englehart was granted a divorce from her husband Thursday afternoon by Judge Frank H. Rudkin in the Superior Court. "Incompatibility of temper" was the ground upon which the decree was rendered. The settlement of the community property was amicably adjusted. The plaintiff, Mrs. Englehart, will retain the house and lot on north Fourth street. She was also given \$150 in cash and a mortgage of \$7500 on a Selah ranch. She will retain the two children, Vivian and Philip, until they become 15 and 14 years of age respectively, at which time they may choose who they will live with, between their father and mother. The plaintiff will also receive \$180 per quarter for the maintenance and schooling of the two children.

### A Pleasant Party.

Jennie Snelling in behalf of the Junior Baptist Union, presented Mrs. Tickner with a beautiful present from the Juniors. Rev. E. F. Perry in behalf of the Church presented the retiring pastor with an overcoat, expressing for the church words of appreciation for the lasting work which has been accomplished under a ministry of nearly three years. The ladies of the church served coffee and cake, and the evening was passed in social conversation, and then hymns were sung and prayers were offered and words of farewell were spoken. Rev. Mr. Tickner goes to Arlington, Ore., to a most important work, and the best wishes of the church and community go with him.

### THE CITY COUNCIL

Regular Bi-Monthly Meeting Held Monday Night—Will Consider Engineer McCullough's Proposed System for City Trunk Sewer.

The city council convened Monday night with all the members present, as follows: W. B. Dudley, T. R. Fisher, D. M. Rand, H. K. Sinclair, B. L. Bull, L. L. Thorp and Frank Lane. Mayor Fechter presided.

The petition was granted transferring liquor license of Tenant & Miles to C. R. McKee, new proprietor of the Bartholet hotel. The front street property owners petitioned council for the grading, curbing and guttering of Front street from Chestnut to the city limits.

A remonstrance was filed by a number of property owners against the proposed improvements of Selah street, beyond D street.

The matter was laid over. Bills aggregating nearly \$5000 including annual payment on debt were audited and allowed.

The water company's bill of \$250 a month for water alone, under a great deal of protest from some of the councilmen, was allowed. The same company's bill of \$256 for lighting the city was ordered paid.

The city marshal reported having collected for October \$573.05 and 77 arrests.

Sexton reported 27 burials. Cash received, \$158.50.

Council ordered a claim of Petty for the Union Ditch company, amounting to \$80, paid.

Ordinance for wooden sidewalk on Walnut street from Front to Eighth, was passed.

The gas franchise ordinance read a second time and referred to city attorney to report at next meeting.

Joseph A. Meilleur submitted a proposition to sell the city lots 23-24 in block 10, adjoining the lot on which city hall stands, for \$2000; and a 20-foot strip between city hall and St. Paul house for \$800. The matter was laid over for two weeks.

The council ordered lights at places previously petitioned of 60 candle power to be put up.

The plat of Lund's addition was reported favorably and accepted by the council.

One of the most important matters that came up was the report of City Engineer McCullough submitting plans for a proposed city trunk sewer system, which will adequately give the city a proper draining system. The engineer estimates the cost to be \$56,000 and he recommends a bond issue of \$60,000 to cover the expense. The council did not take action, but laid the matter on the table for two weeks. It will probably be made an issue at the coming city election.

## DEATHS.

### John E. Fischer

John E. Fischer, the harness dealer of Sunnyside and brother of Councilman T. R. Fischer of this city, died at his home in Sunnyside Monday night after a prolonged illness of typhoid fever. Mr. Fischer had been ill for the past six or seven weeks. It was hoped by his family and friends that he would recover as he had rallied after the main attack of the fever, but a backset ended fatally.

Deceased was about 33 years of age and came to this city about three years ago to work in his brother's harness shop. Last spring he purchased a harness shop at Sunnyside and moved his family to that place. He leaves a widow and three children to mourn his loss. Mr. Fischer was a man of many lovable traits and his numerous friends in this city are pained to learn of untimely death.

### Genova Gervais

Genova Gervais, the 9 year old daughter of Mrs. Kate Gervais, widow of Peter Gervais, died at the family home in Yakima City Monday night, Nov. 7, from heart disease. The funeral was held from the Catholic church of this city Tuesday afternoon.

### Lydia Hanson

Mrs. Lydia Hanson, of the Wenas, aged 58 years, died at the hospital in this city Tuesday, Nov. 8, from a complication of diseases. The funeral will be held today from her home in the Wenas.

### Mrs. John Ogburn

### Another Christian Science Lecture.

The members of First Church of Christ, Scientists, of North Yakima cordially invite the public to hear Mr. Dr. Darrin of Chicago at the Yakima Casino, Monday evening, Nov. 21, at 8:15 p. m., on the subject of Christian Science. These lectures are provided for by grateful hearts who themselves have been beneficiaries of the power of God, as taught and demonstrated through Christian Science.

They esteem it a privilege to make known to others what has so abundantly blessed them, that all who may likewise partake of the same. They know of no better way whereby to accomplish this than the way provided by the leader of this movement, Rev. Mary Baker Eddy, in giving of public lectures.

It is therefore both the pleasure and duty that these lectures are given.

To correct the prevailing misconception of the principles and practical application of science, a board of lecture-ship is established by the mother church in Boston, the duty of the members of the same being to state authoritatively to the public the teaching and practice of Christian Science. Mr. Young is a member of this board.

Strange as it may seem to those who are in the least acquainted with the teaching of Christian Science, Christian Scientists are accused of being a Godless people, who do not believe in Christ Jesus nor the Bible. These lectures put to right all such false accusations. After listening unprejudicedly to a Christian Science lecture one is convinced that God is all that Christian Scientists do believe in. They freely and reverently accept Christ Jesus as the way shower, and the Bible as the Word of God, which consequently contains all that is needful for man's guidance into eternal life and salvation from sin.

A very cordial invitation is extended to all to hear Mr. Young's Monday evening, Nov. 21, at 8:15 p. m., at the Yakima theatre. Admission is free.

### A Noted Violinist Coming Nov. 15.

Carl Reidsberger, perhaps the best known of the modern school of German violinists, leaves the coast for the east November 14. He has given concerts in all the large cities of the west, and owing to the shortness of the time before the beginning of his eastern tour, has had to cut out of his itinerary a good many of the smaller towns. A few of the musical spirits of the town who happen to be somewhat acquainted with Mr. Reidsberger's attainments, were anxious that the gentleman should stop here for a concert if possible, and so a telegram was sent inquiring if he could fill an engagement here the evening of Tuesday, Nov. 16. From the fact that he appears in Spokane the evening of the 16th, Mr. Reidsberger replied that he would be pleased to give a concert in North Yakima on the date suggested—Nov. 15.

Wisconsin Hall has been engaged and the prices of admission put as low as possible—reserved seats, 75c, general admission 50c—so it is hoped no one will miss going.

Mr. Reidsberger played the closing concert for the Philharmonic club of Minneapolis, and this is the report of the same, as given in the daily papers the following day: "From a purely musical standpoint Mr. Reidsberger was the most interesting of the artists. His tone is delicious; it displays temperament, and sings like a bird; now soft as the faintest whisper, now clear and ringing, never bold. The Hungarian dances were classically spicily, lightsome and delicate. The Godard andante called for a dramatic reading and was well met. The Song of the Nightingale, exquisitely lyric as it is, was poetical understanding. The player's bow drew out the rippling notes and the nightingale sang, fancifully, sweetly to the audience."

Mrs. Bruce Milroy who has visited friends and relatives in this city for several weeks left here Thursday afternoon for Seattle; thence to Bellingham, her home.

The election in Kittitas county last Tuesday resulted in a clean sweep for the republicans except Sheriff Thomas and Auditor Baldwin, democrats, who were reelected.

## IS COMING BACK

Dr. Darrin Has been Prevailed upon to Return to North Yakima.

Will Arrive About Nov. 22 and Remain until Dec. 3.

The Democrat is pleased to announce that there will soon be a return of a well known physician to North Yakima, not simply a medical practitioner, but a physician of a high order of merit, a scientist—one whose years of close study, close observation, close practical experience, has enabled him to draw not only testimonials, but the highest personal endorsement from the leading men of the country—Congressmen, merchants, farmers, workmen, of all classes, judges, etc., and whose success in the medical field is today without a parallel. We allude to the great specialist, Dr. Darrin, who will soon favor this city with another two weeks' visit, commencing Nov. 22nd, and will have his former rooms at the Hotel Yakima, where the afflicted of this vicinity may consult him.

Dr. Darrin has an enviable rank in his profession as a wonderful successful physician. He is essentially original in his methods of practice, and those who have been under his treatment are surprised at the newness and novelty of his system of practice, by electricity. His honesty and straight forward advice before taking a case, has won for him the confidence of his patients as well as the general public. The doctor is a gentleman of genial social nature, and his private practice is marked by the formation of a personal friendship with those with whom he comes in personal contact. He is without doubt one of the most thoroughly qualified physicians now before the public, as his wonderful cures can testify.

## THE MARKET SITUATION

Cars Are again in Great Demand—Prices in Local Produce Are Unchanged—The Hop Market Quiet But Firm.

The shippers are again kicking about the car shortage. They have been unable to get cars all this week and the situation begins to look worse. Just before election the shippers had all the cars they could use, but since Monday the conditions have been changed and cars are very scarce.

The hay market is consequently quiet. Plenty of orders but no chance to fill them. Winter apples are in good demand in the east and carloads are being shipped as far east as Minnesota, just as fast as the railroad furnishes the cars.

The hop market is quiet, but still firm. A sale is occasionally reported. Thursday's sales were as follows: S. Huntington Co. bought 56 bales from Dave Reynolds paying 30 cents. Chas. Carpenter bought 155 bales from S. S. Huntington & Co. the price being in the neighborhood of 30 cents. Following is the latest quotations on the market:

Thrice-a-Week Edition

Read Wherever the English Lan-

The tickets are now made up, and the  
most interesting presidential campaign  
the United States has known since 1860  
has begun. And it is the most im-  
portant, too.

Which will it be, Parker and Davis or  
Roosevelt and Fairbanks? Nobody  
knows yet, but the Thrice-a-Week World  
will tell you promptly, fully and truth-  
fully every movement of a hot and thrill-  
ing campaign. The real newspaper now  
prints facts rather than hopes, and it  
has always been the effort of the Thrice-  
a-Week World to tell the thing that has  
happened exactly as it happened. Thus  
you can judge for yourself and form  
your opinion.

There is also a great war going on in  
the East, where the World has a bril-

and their reports are found regularly in  
the columns of the Thrice-a-Week

**ONE OF THESE GIVEN AWAY**

With Every Dozen Cabinet Photographs up to December 10, 1904.

I have two reasons for making this offer. First, I have been to a great expense of time and money in making and perfecting an electrical machine to finish these pictures so pleasing to my customers. How well I have succeeded I leave you to judge. Second, I wish to place a few more of these pictures in the homes of my patrons as an advertisement. Last year some of our friends waited till just before Christmas before ordering photos, and of course they were unable to get them in time for the holidays and were very much disappointed. Take advantage of the above offer and place your order with us in time to avoid the rush and the disappointment of not getting your work in time for the holidays.
