

" APRIL IS THE CRUELEST MONTH "

-unquote-

That is the time when all dues of the members of the WASHINGTON STATE HISTORICAL SOCIETY become payable. Because of some confusion regarding dates in the past, we will notify you in a separate "reminder" every year at this time.

CLASSES OF MEMBERSHIP

- 1) Annual: \$4.00 a year
- 2) Sustaining: \$25.00 a year
- 3) Life: \$100 (payable once only)
- 4) Corporate: \$100 a year

Membership entitles you to the PACIFIC NORTHWEST QUARTERLY, NEWS NOTES, and discounts on books and Society publications. With the membership drive getting under way, we are sure that you will want to be among the first to give it your full and immediate cooperation. Please give earnest consideration to Life or Sustaining Membership as a badge of distinguished service to Community, State and Nation. Kindly fill out the following form for the record and mail with your check to the Society. Thankyou for your continued support of your state historical society. Many adventures lie ahead for all of us.
