Argosy Book Store,  
Los Angeles, Calif. (Order Department)

Gentlemen:

If you have a copy of the Bureau of American Ethnology, 14th annual Report, Mooney, the Ghost Dance Religion, and it is not too high, I would like to obtain a copy.

You need not advertise for it unless you happen to have access to it.

One or two years ago I could have bought a copy (extra) for a fair price and now one dealer wishes \$20 which I am sure is entirely outpriced.

P.S. Mr. Dawson will okay shipment if you have the book at its proper price.

1212 N. 32nd Ave.,  
Yakima, Washington.

Sincerely
