Dear Sir:

Replying to your favor of Nov. 16, we are sorry we have no folder describing our LOCAL HISTORY SCRAP BOOK but are enclosing herewith a sheet from our catalog showing an illustration of the book and particulars of size, binding, and price.

We would say we can make up these scrap books in almost any required size and will be very glad to quote you prices on a larger size than the one listed, if necessary.

Trusting we may have your instructions to forward you one of the SCRAP BOOKS,

Yours very truly,
