Judge N. B. Brooks
Goldendale, Wash.

Dear Friend Mr. Brooks:

We arrived home safely a little after midnight and had a very enjoyable trip. We feel very much gratified with the results thus far, feeling the matter as you handled it, was gotten over to the officials in good shape. In talking it over with some of the members of our committee, we thought it well, if you would draft some sort of a resolution and have it endorsed by your Commercial Club, send us a few copies and we will have our Commercial Club endorse and if possible the Chamber of Commerce of Yakima, and forward these resolutions to the Governor, Highway Engineer, and any other members of the Highway Commission that you think would be well to have a copy.

We understand that the lower valley towns, such as Prosser and Sunnyside, are shaping themselves up to go to the Road Convention which is to be held in Aberdeen sometime next month. An effort is going to be made by them, to carry the traffic from Rosevelt, to Richland and up the Columbia to Priest Rapids, and from there to Wenatchee. We haven't given this matter much consideration but will pass it along to you for what it is worth.

With best regards to all our good Goldendale friends, hoping that we may meet up again soon, if any problems need attention,

Yours very truly,

Toppenish Commercial Club.

Chairman Road Committee
