My dear Mr. Belander:-

I enclose the folder about "Rock
carvings and monuments" which I
mentioned to you last evening. I trust
you will find it of interest; I am
sorry I do not remember the date.

Mrs. Brewster and I thoroughly enjoyed
meeting you and learning of the customs
and religion of this noble tribe of fast-
disappearing Indians. It was indeed a
pleasure to meet your friends too, and we
wish to thank you for bringing them
to us. We appreciated their friendly
kindness and trust that the tour
has not been too tiring for them.

With best regards to them both
and to you, I remain

Respected teacher
& Chemist, 1912-1949)

Very cordially,

Carl Brewster
