Dear Click,

George Martin has a letter from The Dalles delegation who are coming to the Centennial by chartered bus, with signs on its sides, "FORT DALLES SALUTES THE FORT SIMCOE CENTENNIAL".

The letter tells the whole story of their participation and their Nathan Olney Monument dedicatory ceremony that is to follow the platform program on Centennial Day. It's quite a story, Click. I hope you give it the works. George will be home Saturday and I feel sure will loan you the letter.

Another item, General Freeman, of Fort Lewis will be on hand with a brief speech early in the program.

Troops, Color Guard, Flag Detail, Bugler, Honor Guard and the 21st Army Band, will raise the 32-star flag with a most colorful ceremony. Arrangements have been made through Col. J. Hart Coughy at Fort Lewis, by Stan Livingston, and through Col. Andrew P. Riley, of the Firing Center by George, Frank Ames and myself.

Representative Damon R. Canfield has charge of the Governor's Caravan from the Chinook Hotel to the Fort. It will contain Legislators and wives, Congressman and Mrs. Hal Holms and other dignitaries, escorted by the Sheriff and Patrol cars.

The Army Band will properly greet them at the Fort.

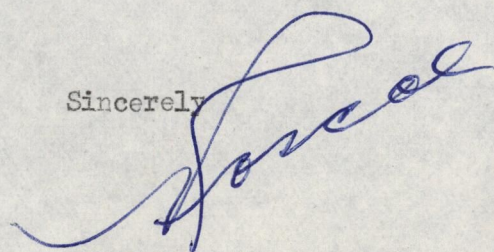

Bob Wyatt's best P.A. System will carry the program. ( special deal)

Indian Village---Indian Dances---Tribal Council in regalia will present lease to Governor, who will accept for State and dedicate park to people.

Perhaps you already are aware of these items, but figity me!!!!

Please pardon.

Sincerely

SIMCOE BLOCKHOUSE
