TACOMA 3, WASHINGTON

January 16, 1958

Dear Click:

Under seprate cover I'm sending you the SAwards. I didn't have Kenn Johnson letter in your name, thinking that if it were inserteed it would look much better done in type. The Republic has a plant that does fairly good work, I understand, so I'll leave it to you to do or not to do.

Both you and Walt might want to have the Awards framed before the 24th of Feb., assuming that date still holds up.

Included also is the Award to Caxton. I could send it direct but thought it might better come through you in this instance. If you disagree, hold it until I come over and I'll send it to them direct.

Hastily
