An unusually beautiful day brot out 21 members.

minutes of last meeting read and approved.

Roll call responded to by short Talks on "Who is our Neighbor".

After this the club enjoyed a very fine talk by Mr. Hultgren on the subject of "Sanitation" which was very appropriate by reason of this being our Clean-Up - Day, and one day of the National Baby Week. Mr. Hultgren brot home to us many little items of tho't and caution which we will do well to guard against.

Mrs. Martin gave a tho'tful discussion along similar lines after which every one enjoyed a good reading by Mrs. Smith. The musicals which had

been postponed was discussed, also the advisability of having the reception, & as per year book.

Moved and seconded that the c. secretary write to Mrs. Pike, the birdwoman and endeavor to get her to speak to us March 24th at the reception, carried.

There being no further business, the meeting was adjourned.

Mrs. A. C. Smith.
