Dear Sir:

I thank you for your letter of recent date and your words of praise for my pictures of Indians. I have a large collection of Indian portraits and views, taken during the past 30 years. I have a few in 16 x 20 in brown tones at \$5.00 each, no ready. Also in 8 x 10 at 2.50, 7 x 9 at \$2.00 and 5 x 7 at \$1.50. These are done in very best work, are suitable for framing. They must be seen to be appreciated, and I ~~am~~ usually sell them on approval. That is, you could order about what you would care to spend, say \$25.00 worth, and could return those that might not appeal to you in exchange for others, or have your money refunded for those you do not want. Also a reduction is made from prices quoted above when order amounts to more than just one of each kind, or of a kind.

I will also call your attention to my book, entitled, THE TAMING OF THE SIOUX, which will be sent postpaid for \$2.00. This has many original illustrations in duotone work. It is a history of the Sioux and contains much material that you would not be able to find without a lot of research work.

Trusting that our relations will prove mutually satisfactory, I am

Yours very truly,
