Dear Mr. Relander:

For a coronary my flat fee is \$200.00.

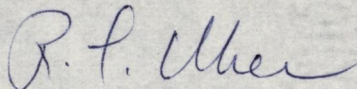

Would you please send my entire fee directly
to The American Heart Association, c/o

Mr. Victor Schoch? We will make out your
insurance papers for you and furnish you with
a receipt "paid in full" for your records.

Thank you.

If you have any questions I will be happy to
discuss this with you.

Very truly yours,
