

Settling-up Time

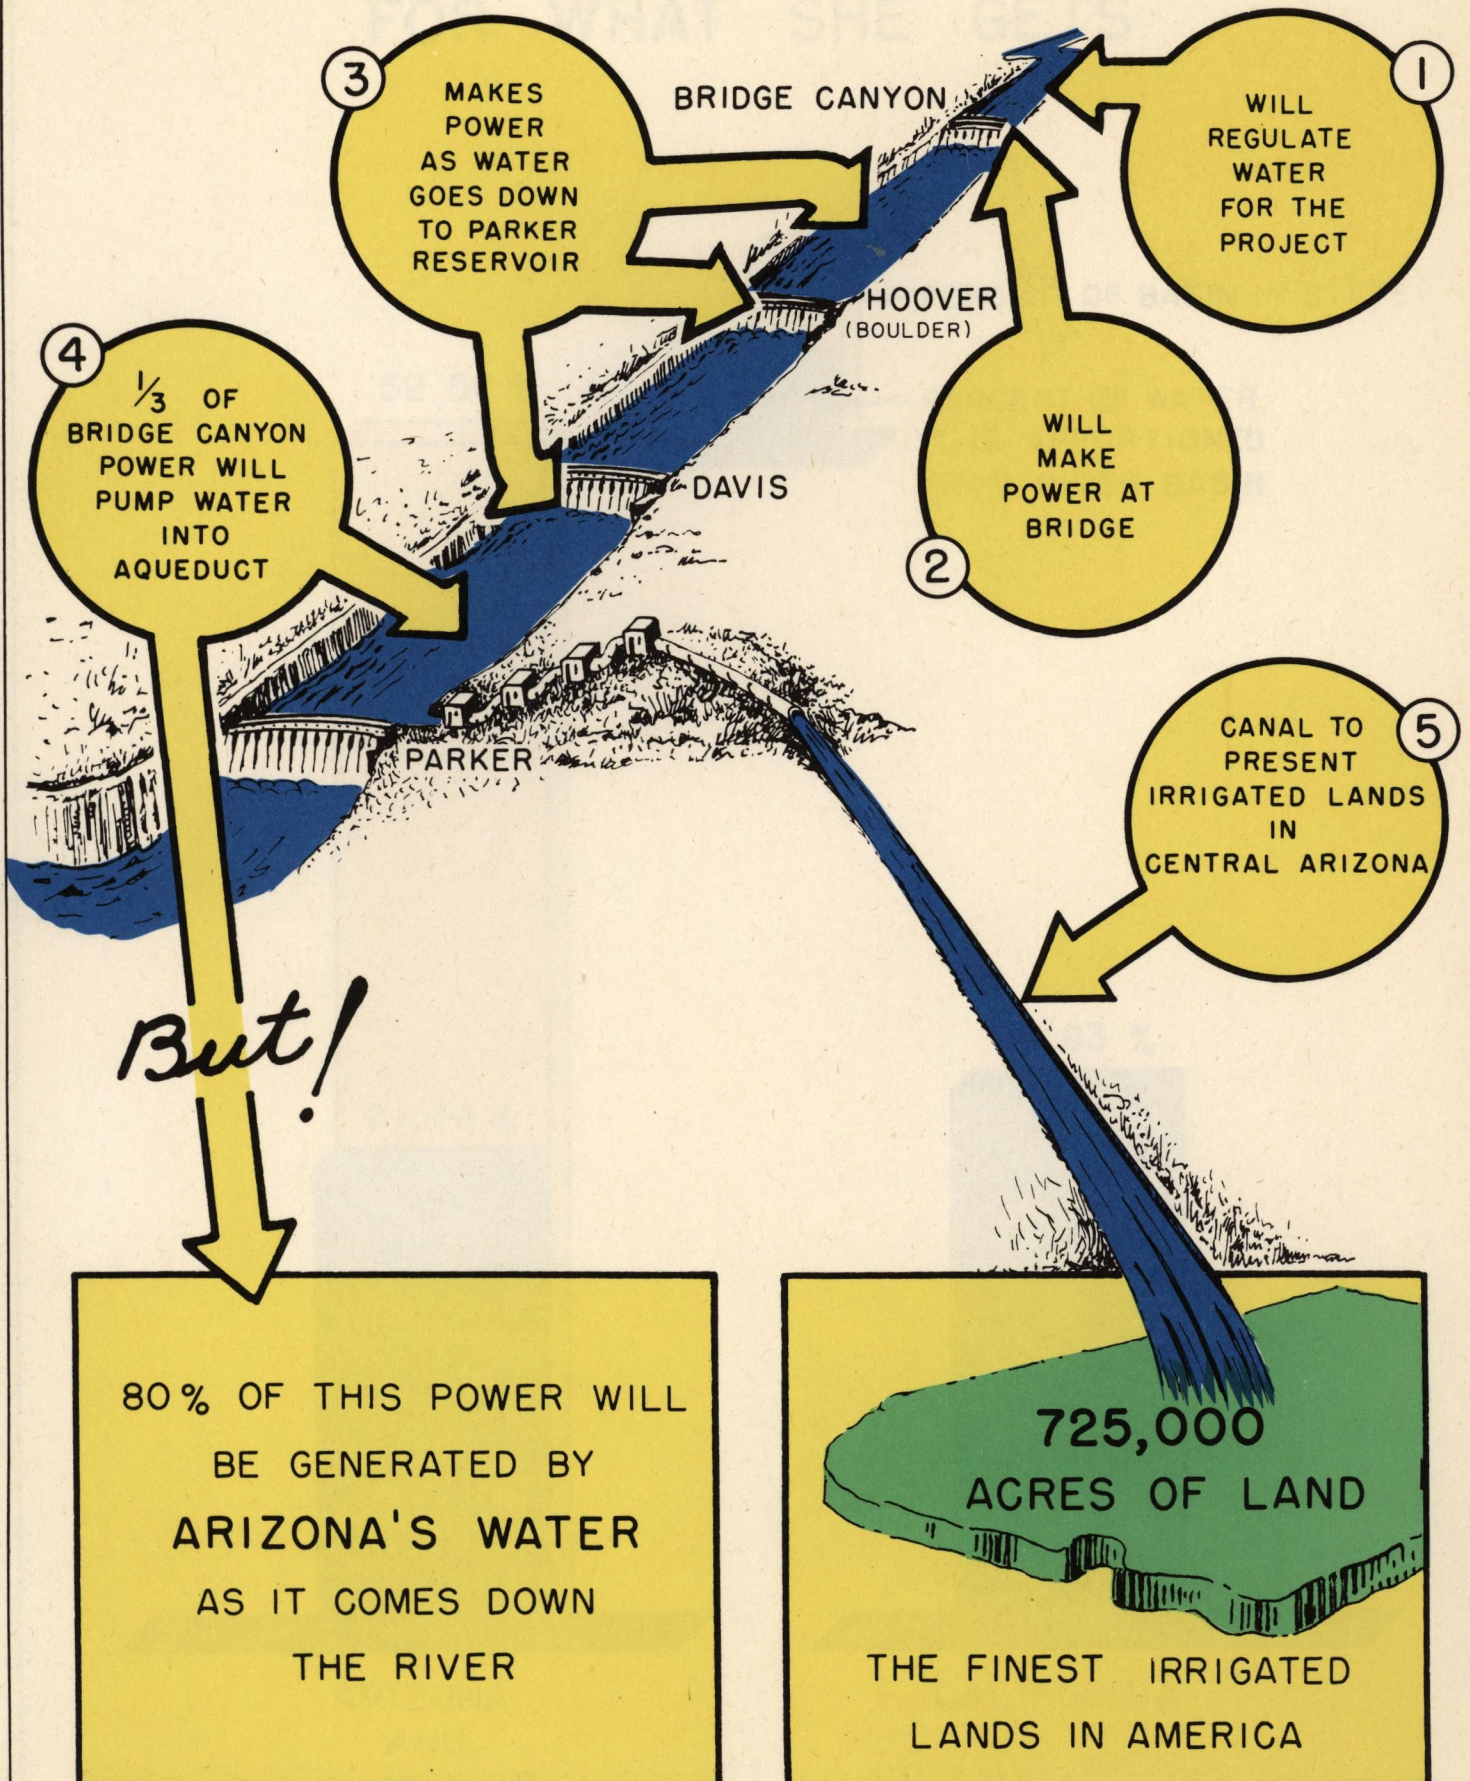

- SAVE THE ECONOMY OF ARIZONA
- PROTECT THE RIGHTS OF ALL
AFFECTED STATES
- SETTLE A THIRTY YEAR DISPUTE

CENTRAL ARIZONA PROJECT

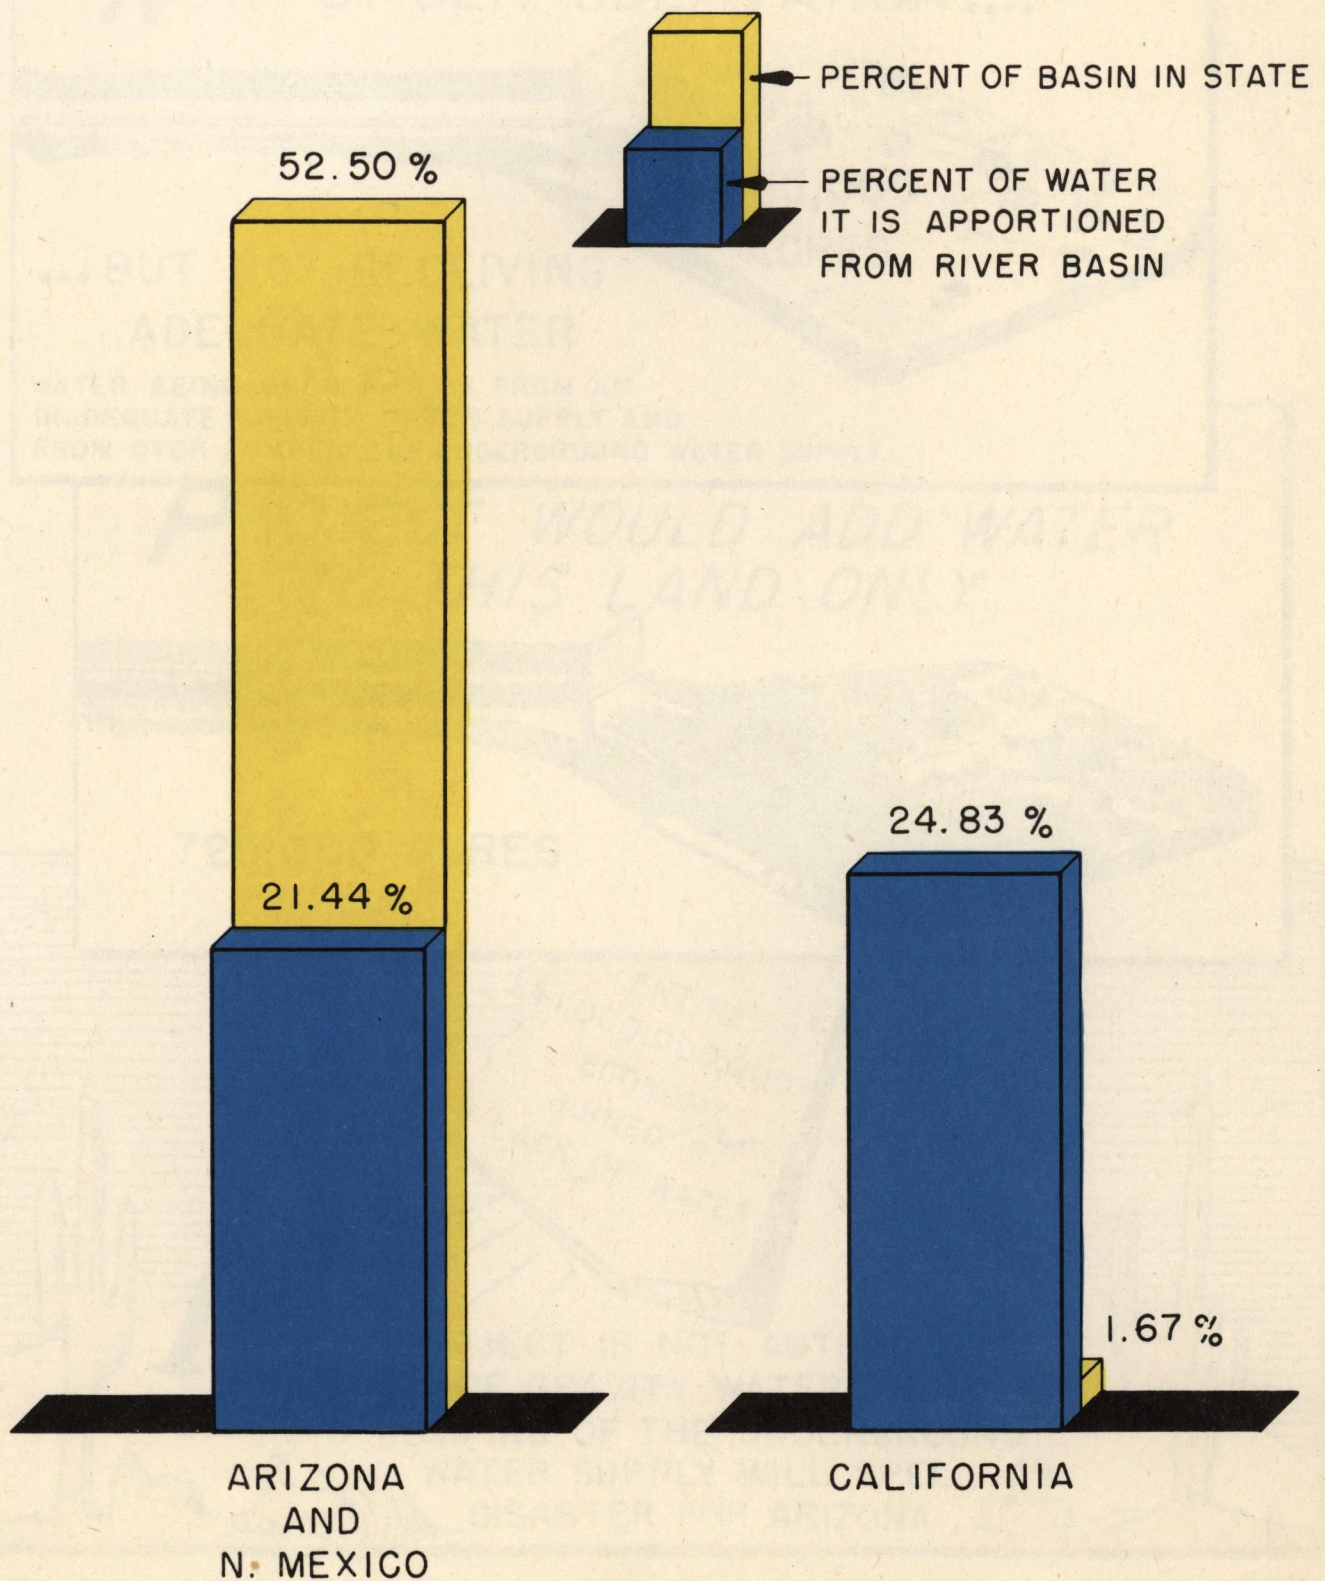

THE ONLY FEASIBLE WAY TO SETTLE
A THIRTY-YEAR DISPUTE

HOW THE PROJECT WILL WORK

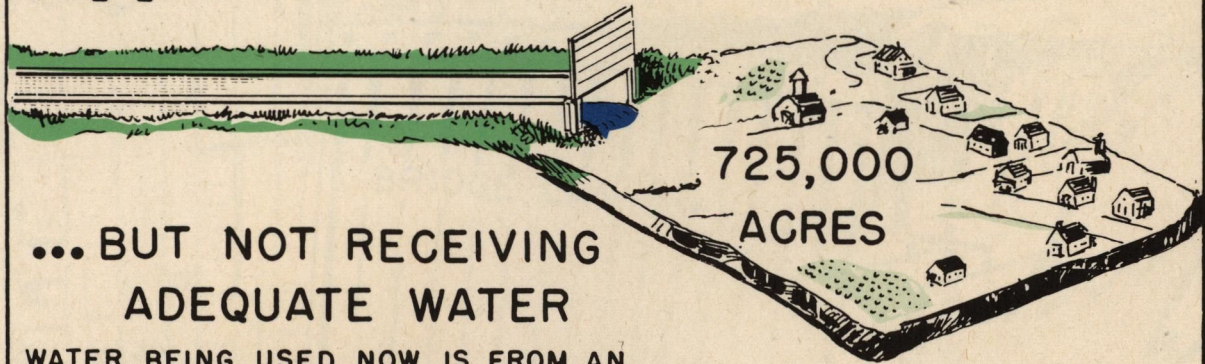

CALIFORNIA CONTRIBUTES LITTLE FOR WHAT SHE GETS

ARIZONA WANTS THIS WATER ONLY FOR PRESENTLY IRRIGATED LANDS

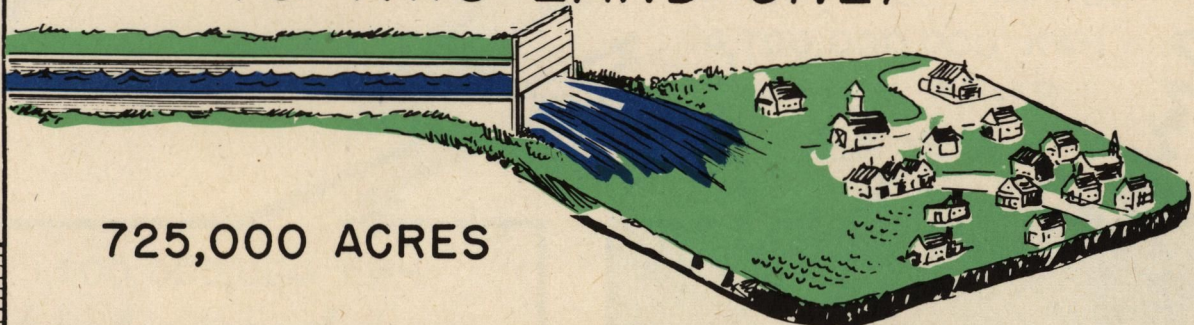

Now UNDER CULTIVATION....

... BUT NOT RECEIVING
ADEQUATE WATER

WATER BEING USED NOW IS FROM AN
INADEQUATE GRAVITY WATER SUPPLY AND
FROM OVER PUMPING THE UNDERGROUND WATER SUPPLY

*PROJECT WOULD ADD WATER
TO THIS LAND ONLY*

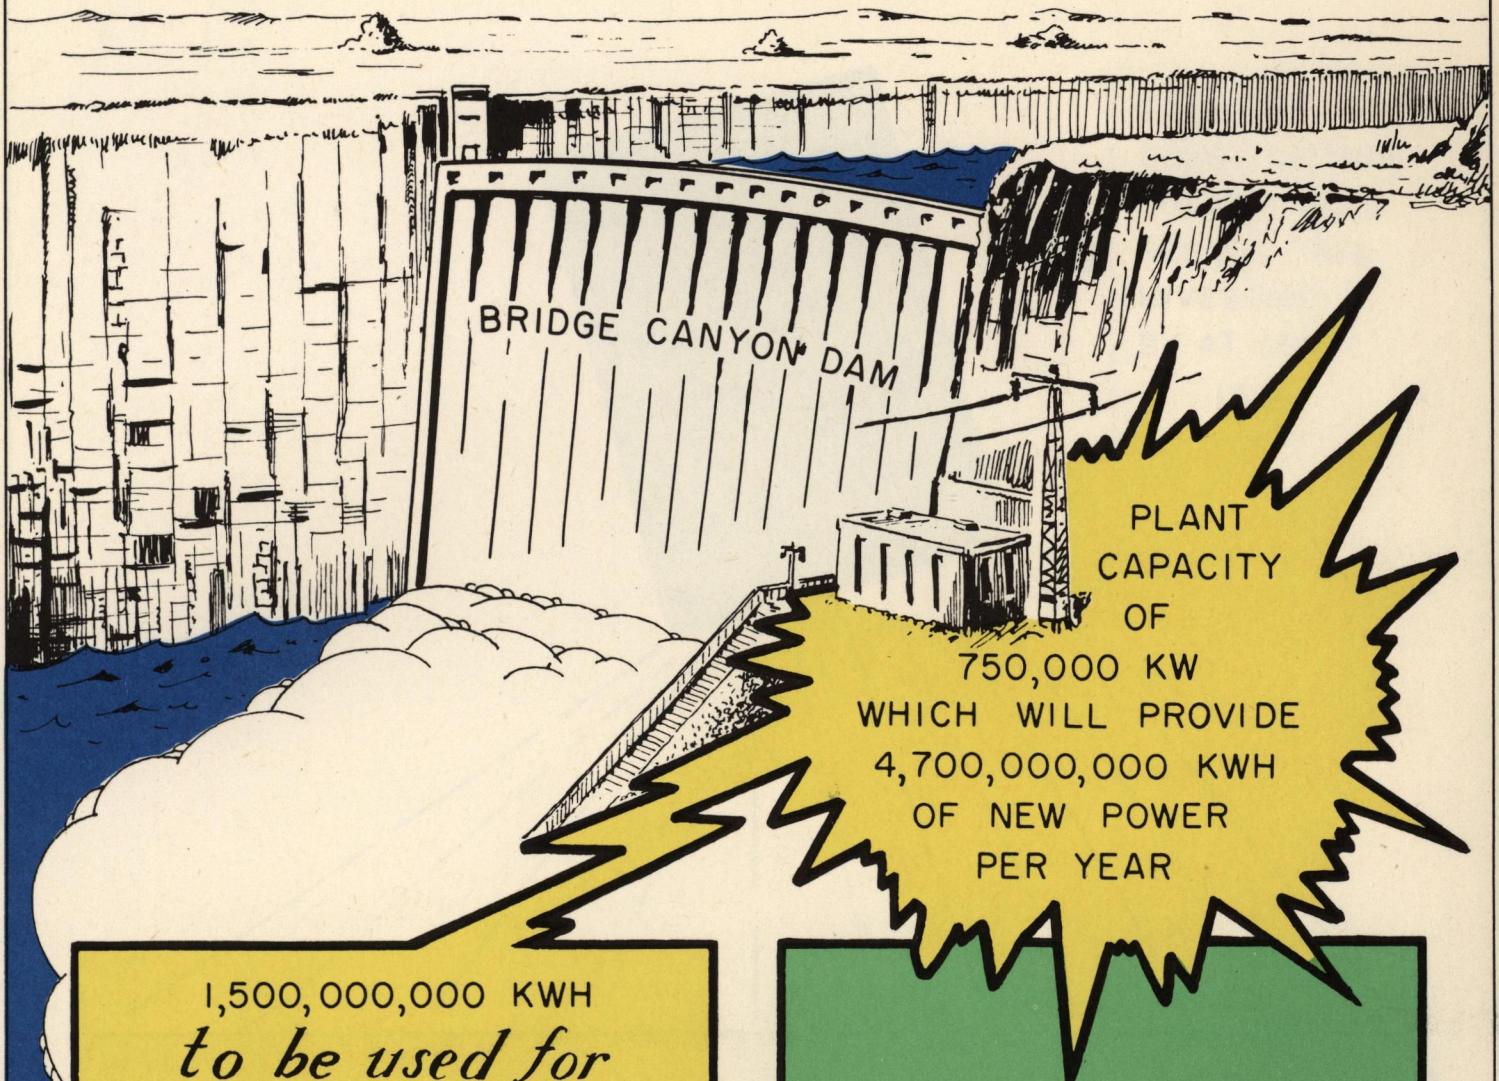

725,000 ACRES

ENTIRE
\$1,000,000,000
ECONOMY
RUINED BY
LACK OF WATER

If

PROJECT IS NOT AUTHORIZED
LACK OF GRAVITY WATER AND OVER
PUMPING OF THE UNDERGROUND
WATER SUPPLY WILL SPELL
DISASTER FOR ARIZONA

PROJECT WILL SUPPLY AN ECONOMIC SOURCE OF NEEDED POWER IN THE SOUTHWEST

PLANT
CAPACITY
OF

750,000 KW
WHICH WILL PROVIDE
4,700,000,000 KWH
OF NEW POWER
PER YEAR

1,500,000,000 KWH
to be used for
PUMPING SUPPLEMENTAL
WATER FOR 30,000
IRRIGATORS WHICH
WILL ASSURE JOBS
AND A LIVELIHOOD
FOR 600,000 PEOPLE
DIRECTLY AND INDIRECTLY
DEPENDENT UPON THE
725,000 ACRES OF LAND
PRESENTLY BEING IRRIGATED

and

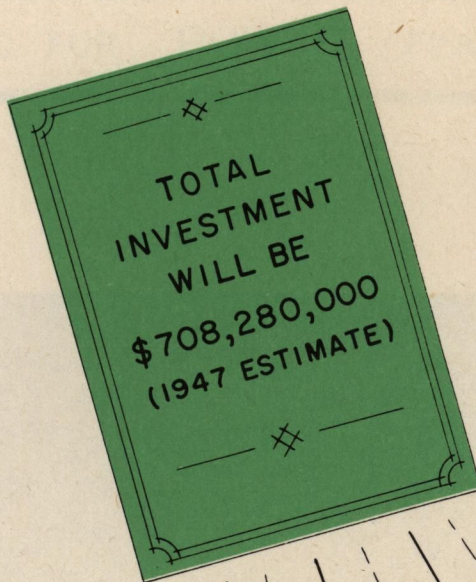

3,200,000,000 KWH
OF NEEDED
NEW POWER

for

THE GROWTH OF
THE SOUTHWEST

BENEFITS TO THE NATION FROM THIS INVESTMENT

TODAY'S
CONSTRUCTION
COSTS WOULD
REDUCE THIS
INVESTMENT
BY AT LEAST
15 %

PROJECT WILL PAY FOR ITSELF MANY TIMES IN DIRECT FEDERAL TAXES ALONE

DIRECT RETURN TO U.S. GOVERNMENT IN FEDERAL TAXES ALONE WILL BE FIVE TIMES THIS TOTAL INVESTMENT. IN ADDITION THE MONEY USED TO BUILD THE PROJECT (LESS 10 MILLION DOLLARS BECAUSE OF FLOOD CONTROL AND FISH AND WILDLIFE COSTS) WILL BE REPAYED.

COMPARISON OF ALTERNATE PURPOSES

If

AUTHORIZED FOR POWER FEATURES

ONLY

- CALIFORNIA WILL GET SUBSIDIZED FEDERAL POWER TO TAKE INDUSTRIES FROM THE REST OF THE NATION

and

- • WILL GET ARIZONA'S SHARE OF THE WATER TOO!

If

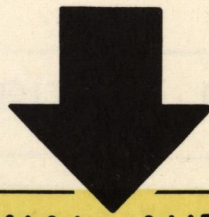

AUTHORIZED FOR
POWER AND IRRIGATION
FEATURES

- ARIZONA WILL GET ITS RIGHTFUL SHARE OF WATER THUS SAVING ITS ECONOMY ... *and*
- POWER AT REASONABLE RATES WILL BE AVAILABLE FOR GROWTH OF THE SOUTHWEST AREA, WITH POWER PAYING ITS PROPER SHARE FOR THE IRRIGATION FEATURES OF THE PROJECT,

plus

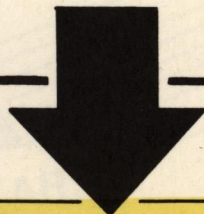

\$ 42,000,000 PER YEAR IN NEW WEALTH FOR THE NATION

WHAT IS NEEDED TO SETTLE THE RIGHTS TO COLORADO RIVER WATER

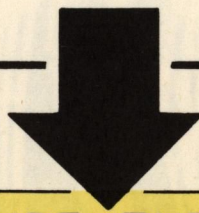

1 CONGRESSIONAL AUTHORIZATION

WHICH WILL CREATE AN ISSUE AS A BASIS
FOR _____

2 A SUPREME COURT DECISION

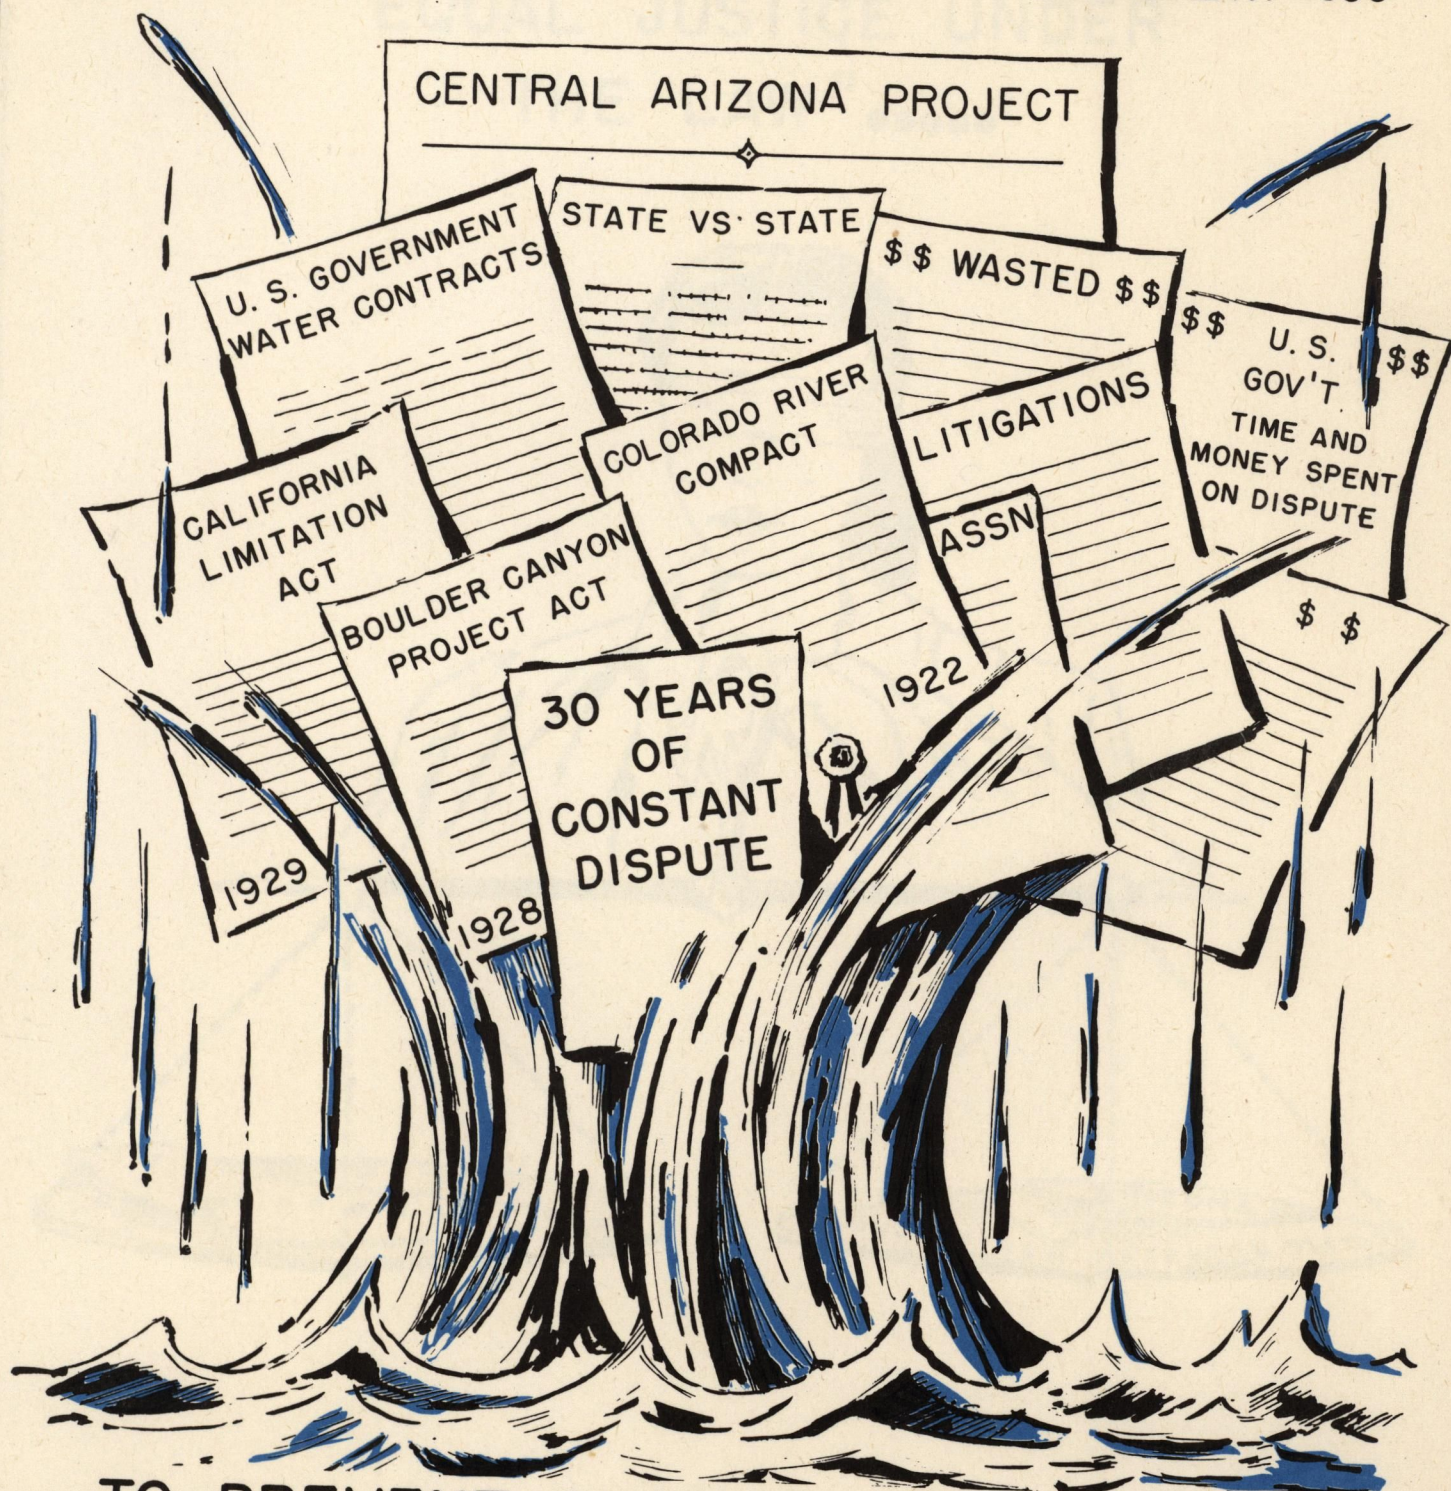

WHICH WILL PROTECT THE RIGHTS
OF ALL STATES AFFECTED
AND THEREBY _____

3 DECIDE THE RIGHTS

OF EACH AFFECTED STATE
TO THE USE OF COLORADO RIVER WATER

CONGRESSIONAL AUTHORIZATION IS NECESSARY TO SOLVE THE COLORADO RIVER WATER PROBLEM....

....TO PREVENT ANOTHER 30-YEAR DELAY
WHICH MEANS DISASTER
TO THE PEOPLE OF ARIZONA

CONGRESSIONAL AUTHORIZATION
WILL MAKE POSSIBLE
"EQUAL JUSTICE UNDER
THE LAW"

..... WITH NO FURTHER
DELAY
