

Reproduction of a photograph sent to Friends of the Library,
State College of Washington, through Cull A. White, Councilman
by Mrs. George L. Converse (Mrs. Sarah Winans Converse)
352 South First Avenue, Walla Walla, Washington. On the
back of the old photograph of the Indian Chief is a
date 1864 which we assume indicates when the picture
was taken. There is also a notation on the back of the
old photograph to the effect that the picture was "presented
by Mrs. R. R. Lees." Possibly this note has some historical
value.
