Dear Click:

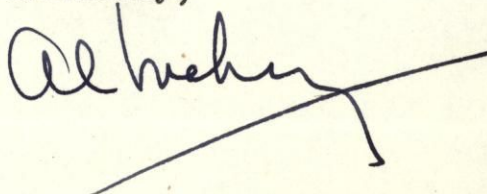

The McNay's are looking forward to seeing you and your family in late August or September in San Francisco.

There is a bare possibility that we may pass through Yakima in a drive up to Canada late in July and if this should materialize, we certainly shall give you a call. I will be joined by Helen and my two youngest sons, Westly and Dennis ages 12 and 14.

Your position with the papper in Yakima sounds very interesting. It has been a long jump from the days with the Visalia Times-Delta.

I shall look forward with a great deal of pleasure to renewing our acquaintance. Hope to see you and your family soon.

Cordially,
