E.M. McCarthy, distribution section,
Editorial and Publications Division.

Dear Mr. McCarthy:

I take pleasure in sending to you a copy of the recently published 64 pp. pamphlet concerning the Yakima Treaty Centennial. You may dispose of it as you deem proper, and if an additional copy is desired, please inform me so that one may be sent.

I am also enclosing an list of "available publications" that would be most helpful in filling out the museum library on that subject. Since a request of several months ago could be compiled with only on scattering material (and that is certainly understandable) I am submitting a more extensive list.

If available material should be sent parcel post, I will send the amount, or it may be sent freight collect, according to the number of items available.

The list desired through "available publications" is appended.

Sincerely
