Mr. Leslie C. Fritsch,
George Straith, Limited
921 Government St.,
Victoria, Canada.

Dear Mr. Fritsch:

I am expecting that a package being held in my name will be picked up August 15 or 17. Direct application will be made to you or Mrs. Gery Irvin. Otherwise I will notify you after that date to send it through and I will be glad to pay duty on it.

I am also enclosing my personal check for \$50 so it may clear by this date. In event the person calling has reached purchase quota, she will request return of the money. Or if the trip now under way is cancelled in your area I will ask for a refund of the amount. I realize it isn't very much but I suspect that long-range purchases may in time mount up.

I sincerely trust this is proper. If not, do not hesitate to inform me.

Please show this note to Mrs. Gerry Irvin as I suspect she will be the one who is contacted, first.

Sincerely Yours
