

Women's Civic Imp. Club met Friday Mar 26
with 9 members present.

Mrs. Humphrey, Pres. not being
present, the meeting was called to order
by the vice president, Mrs. Martin.
Mrs. Launce, Sec. being absent Mrs.
Ashton was asked to take the minutes
of the meeting. Treasurer's report \$25.83-

The chairman of the Park Com. Mrs.
Carpenter gave quite a lengthy and
much appreciated report on the park
and cemetery. She spoke of the many
improvements which had been made at
the cemetery, in the way of planting
trees and sowing rye, which is up and
makes the grounds look much better,
the absence of all weeds, ect.

A motion was then made, seconded,
and carried that the Park & Civic Com.
work together in the interest of the
cemetery, and have the authority to
hire a competent man to oversee the
work that is yet to be done.

The report on the Park was not so
favorable. Two of the ladies, having

visited the park and found the grass now than shoe top high and some of the trees were white.

It is very evident that something must be done here.

It was suggested that we get the men of the town to go out on Arbor Day Apr. 9th. at about 10:30 or 11 A.M., each with a shovel or rake and work for an hour, after which the ladies would serve a picnic lunch.

With this in view a motion was made & carried that the Civic Com. wait upon the Mayor & Council & see if they would be willing to work with us in the Park on Arbor Day.

There being no further business the meeting was adjourned.
