Dear Friend Click:

An idea, and something for you to
think over.

Is the Museum Association something
apart from the Daughters of Pioneers? I am sure they are
in the picture but are THEY the picture?

If they are simply part of the picture,
I am wondering if one word could be added to the name, making
the organization name ~~YAKIMA~~ MUSEUM AND HISTORICAL
ASSOCIATION. I don't have the file here at my typewriter
desk so am not sure whether the word 'Valley' is in
the name or not. If it is, that's O.K. It seems to me
that adding the word 'Historical' might solve the whole
problem, assuming that the organization would be historical
in fact as well as name.

The tie-up is natural and in time would
make it possible for the county commissioners to add in the
museum's support.

Hastily

CHAPIN D. FOSTER, Director

*I see "Valley"
is in that letter*
