Dear Kathryn:

I have written you on two or three occasions making some inquiry as to the re-payment of your rotary club loan. Understand, I am not asking you to pay the loan in full at this time, but I do think I should hear from you as to your plans and also if you have any earning capacity so that you may gradually reduce the debt.

I have always looked upon you as one of my specials in reference to this loan and have always given the committee and club, the best reports concerning you and I am sure they were justified and I want to continue to view you in this same light.

Please take this letter in the spirit it is written and let me hear from you. I sincerely trust that you will soon be making some head-way and that your family is well and prospering. I am

Sincerely yours,

L.O. JANECK
