Dear Friend Click:

I'm enclosing a list of Sohon prints made up by our Librarian. We have more but she tried to pick out the ones that would best fit your letter.

Do you have to have an 8x10 glossy? Contact prints would be much cheaper in this case and I think the engravers would do all right with the contacts, but you're the boss. I'm just suggesting the possibility of saving some money.

Hastily

CHAPIN D. FOSTER, Director
