Mrs. Robert Meyer,
801 Yakima Avenue,
Wapato, Washington.

Dear Mrs. Meyer:

Thank you for your note concerning the Tillicum Club's
meeting of March 15, 1955.

I still have it on my date book and hope that my continuing research in
Fort Simcoe material will permit me to give your club members some new
insights into that part of our history.

I am sure I will have no difficulty in finding the meeting.

It may be that "Alice" will accompany me to the meeting to help
bring home one of my points.

Sincerely
