Mr. Robert Hitchman,
611 Thirteenth Avenue North,
Seattle, Washington.

Dear Bob:

Thanks for your note of June 12 which awaited me upon my return from vacation.

I'm dropping you a note at this time to enclose an advance circular concerning Drummers and Dreamers, headed for publication, Caxton's say, next spring. It is being sent just to keep you posted because I have every intention of being able to provide copies, by hook or crook, for my very good friends.

I'm hopeful that the Parks Advisory Board meeting is by now scheduled for Yakima and that we'll be seeing you over this way.

Lorraine joins me in extending regards to you and your very likeable family.

Sincerely
