Della Robbia Miracle Liquid Glaze

With this amazing new Della Robbia Liquid Glaze you can decorate the figures you have made. In painting on Plastiline use two coats of shellac. Glass, china, tiles or metal objects may be baked in your kitchen oven after they have been decorated. They will bake to a sparkling, durable glaze. Kit illustrated contains 14 Glaze colors and Glaze materials. Two brushes, 4 mixing trays, complete, illustrated instruction booklet included.

Della Robbia Figurine Kit

Decorating Figurines is one of the most popular hobbies in America. This popular kit contains three genuine Hydrostone Figurines, ready to decorate. Also contains 9 Della Robbia Miracle Glaze colors (enough to last the average hobbyist for a year) brushes and instructions on decorating Figurines, china, glass and other objects. After Figurines have been painted with several coats of Glaze, they will dry to a sparkling high luster without baking. 1/2 oz. Lustre powder.

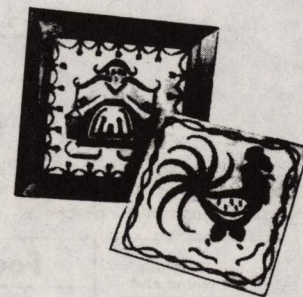

Figurine Kit #500 . . . \$5.50

Della Robbia Tile Kit

Not only is tile painting a popular hobby—it is a very practical one. As hot plates, for trays, on tables and bar tops, as wall panels, or framed as decoration, tiles are fun to paint and make wonderful, personalized gifts. For extra durability Della Robbia Glazed tiles may be baked to a high luster in your kitchen oven. The Tile Kit contains 3 tiles Glazed ready to color, 14 Glaze colors, brushes and complete instruction book. 3 Tile Hangers.
