Dear Mr. Kellogg:

Just keep going. Your staff is good. The main ^{thing} is to get it down on record while it's still around to be got. The time to shake it down into something coherent will come later.

Sorry to have been so slow answering - May was my one busy month here all year. We're now starting for summer at home in California, but will return here for one more year, Sept-June, 1919-20

Sincerely yours,

A. L. Kroeber
