SCENIC AND RECREATION
WONDERLAND OF
WASHINGTON STATE

LAKE CHELAN

WASHINGTON

Some of the most beautiful orchards in the country line each shore of Lake Chelan. Early in May the trees are a fairy-land in bloom, then in late fall gorgeous red fruit bend the branches nearly to the ground.

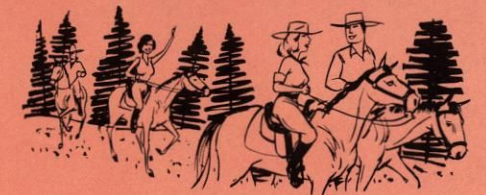

Crisp fruit from the Chelan-Manson area is a favorite of people throughout the entire world.

Yes . . . there is elbow room on Lake Chelan! Whether you are considering a vacation or retirement, it will take you years to explore this area — from glaciers, to orchards and giant hydro-electric plants.

One popular access to the Glacier Peak Wilderness area begins at the Lucerne dock. From there the road climbs up the narrow corridor to Holden Village, where trails lead you through the pageant of alpine beauty which is magnificently displayed in the Cascade Mountains of Washington State.
