Dear Genl Milroy,

The Agreement made in regard to the Latas Witch has been returned to me from Walla Walla, and is, I understand, satisfactory with one or two slight alterations, which I have to request that you will ask Mr Fairchild to make as the instrument is in his handwriting. First. Please ask him to insert the name of James F. Kinney immediately after that of Thomas G. Lee, interlining it above the mark I have made after the word Lee. Also please ask him to strike out the word "first" and substitute "second" in the 14<sup>th</sup> line second page, the word first having been put in, evidently, by mistake. Also please ask him to make place for seal to correspond with the others immediately after the place occupied by the name of Alex Reed, so that Mr Kinney may sign his name in a line with it. Please return to me when these changes are made and I will have Mr Kinney sign it. I am, yours truly,  
Wm. Prosser.
