Do you need a sales representative for the Massachusetts area? An evidently qualified man offers his services... Details in Chamber office....

YAKIMA CHAMBER OF COMMERCE

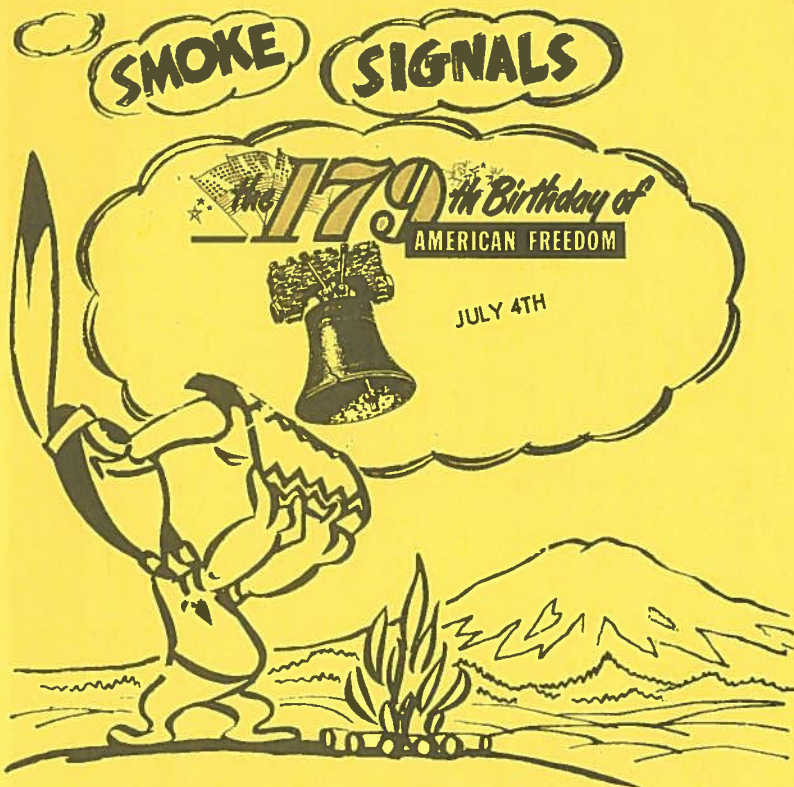

Welcome, new Directors: JOHN BLUMSTROM, JOE DITTER, FRED MERCY, JR., FRED REDMON, A. C. SHELTON, RALPH SHUFORD, and WRIGHT HAWKES. May your wisdom, industry, and community spirit be rewarded by great and good service for Yakima.....

They came again! Representatives of Universal-International Pictures were given generous help by escorts from your Chamber in a serious, scouting party this week...HOWARD DEMING, of U-I Corporation, applied for a membership in the Yakima Chamber for JACK LAWTON, Location Manager, a prime prospect to be the Chairman of the Southern California sub-committee of the Tourist and Convention Committee....More later on this.

Among the local boys making good are (1) the Yakima Junior Chamber men who won for the local group first-place honors in Aviation and first-place award for Inter-Club Relations at the recent National Convention at Atlanta, Georgia; (2) Membership Co-Chairman JIM BECKETT, for a citation and prize by the national hardware dealers for his promotional work on the occasion of National Hardware Week; (3) Republic newsman CLICK RELANDER with his forthcoming Drummers and Dreamers, a philosophical-historical treatment of the Wanapums; (4) Roads and Highways Chairman STUART FOSTER, recently named to the Washington State Power Commission.

Thanx to the Pacific Power and Light Company for gratis juice for the RTB Lounge for visiting servicemen, and (2) to BOB LAMSON for extraordinary spur-of-the-moment cooperation in photographic coverage for both the Tourists-of-the-Month and the reconnaissance by the Hollywood agents.....

The one organization that recruits, protects and promotes
Yakima business-----your CHAMBER OF COMMERCE.
