Mr. Click Relander,
Route 3, Box 146
Yakima, Wash.

Dec. 10/52

Dear Mr. Relander,

On Sept. 29th you kindly ordered from my list
the book by McCurdy "By Juan de Fuca's Strait, pioneering
along the Northwestern Edge of the Continent" Illus. and Map.,
unfortunately it was not available at the time but I have
now a copy in new condition which I can supply at
\$5.25 American funds and including postage, however as I
notice you have a credit with me of .43cts from a
transaction in June 1951 this would be deductible,
making the total cost to you \$4.82.

Thanking you to let me know if you are
still interested.

Yours sincerely,
Forsyth
