Dear Sir-

We would like to stock, for resale at the  
Museum of the Chelan County Historical Society,  
your book Drummers and Dreamers. But the  
Caxton Press listed it as out of print.

Will there be another printing? If so,  
when?

Sincerely,

Robert E. Eddy

Secretary - Treasurer

Dear Mr. Relander:

Thank you for the shipment of "Strangers on the Land" for our museum.

On February 6th you wrote that you were sending another package with a personal copy of "Strangers on the Land" autographed by some of the tribal officials. It has not arrived, and I wondered if it had gone astray.

In your book you have presented a side of the "Indian Question" that is not generally known and understood, or if it is, it is ignored. I believe "Strangers on the Land" will rank along with "Yellow Wolf" and "The Indian Side of the Question" in showing how unfairly we not only did treat, but are treating the Indian. I lived at Nespelem for a time and became well acquainted with the Indian people and I feel your presentation of the subject is both fair and true.

Keep up the good work.

Sincerely

Dear Mr. Relander,

Thank you for my copy of the book "Strangers on the Land". I appreciate it all the more because of the autographs in it.

We've sold our first shipment so I'm enclosing a check for 6 copies @ 1.35 or 8.10.

I guess you've taken up where L. O. McWhorter left off - It is good that someone realizes the injustices done to these people and is willing to speak out. I agree with you wholeheartedly.

Sincerely

Robert E. Eddy
