Mr. Alba Showaway,
Parker, Washington

Dear Alba:

Mr. Marvin L. Armstrong, PO box 1615, Yakima, or at window 12 at the main post office wants to contact some little Indian boy, from 8 to 12 years old, who could be "Little Skookum" for the post office clerks convention next month. He'd be a sort of official greeter, helping them carry out their theme by just walking around with sign on him or something like that.

If you know of someone who ~~could~~ could do that, have them contact Mr. Armstrong, or pass this letter on to someone else and he will tell them how long they will need him and what they could pay him for his work. He'd like to get lined up as soon as possible.

Hope things have been going well with you. Missed you at Priest Rapids feast but suppose you were down in Oregon. See you later.

Sincerely
