Attn Mrs. R. Shevin
Americana Dept.

Dear Miss Shevin:

Enclosed is bill for items shipped as noted.

I am returning, insured and directed to your attention two of the three vols. Part II, Vol XLVIII Correspondence, Orders and Returns Relating to Operations in Louisiana and the Trans-Mississippi States and Territories and Series I, Vol XLVIII, Pt. L, etc. Neither of these volumes contain the Pacific material.

I am retaining Part II, Vol L (series I) Correspondence Orders and Returns Relating to Operations on the Pacific Coast from July 1, 1862 to June 30, 1865.

I hope you have ~~Vol~~ Part I of this series which should state on the opening page "Relating to Operations on the Pacific Coast."

It is my recollection there was a third Pacific Coast vol. but perhaps I am in error.

I'm sorry to have caused you this trouble.

I am sending, directed to your attention, payment of \$7.50 for the 1 vol. plus 65 cents postage and insurance, as soon as I can get next to the money order window during my lunch period. And you may bill me accordingly for the other Pacific Volumes if obtained. They do not necessarily have to be in the same binding. Most of these were put out in black cloth, as you no doubt know, 1 vol was devoted to "maps" and

they were given to ~~added~~ ~~added~~ all libraries but most libraries are or have disposed of them because of their vast extent (although they seem to be a top source book) I should think that even that would pertain to special documentary information regarding the Civil War.

Thanks again and I hope the other Vol. or Vols. can be forthcoming. They are easily recognizable once spotted, since all the letters or 90 per cent of them are written from Washington, Oregon, California, or rarely Colorado, New Mexico or Arizona.

Again, thanking you most sincerely
