

At Home Septem. 6. 1884.

Mr Fairchild.

Dear Sir,

According to agreement. I
should have send those
pasture money ^{\$100.00} for our sheep
by the first of this month
but Sir you can helieve
me I tried to come up
to my word but can not.
I have been to The Dalles
again last sutterday to
Moody's if my returns of
Wool had come but it is
not sold yet and I have
drant against my Wool
to pay expences of
shipping and saking
and taking to market.

I have been very uneasy
and told to Melcum
Moody. Manager of Mr
Moody's business all the
circumstances. He can
not let me have an other
advance on the Wool as
money is so scarce and
he says has not got it,
but he told me it would
be all right he said he
knows Mr Milroy and
said that he went
back East now, as soon
as he comes back he
would speak to him,
but that is not the thing
I will pay you, and I
am very anxious to pay
you as soon as possible
all I pray for, is you
please give me time

this month and if
the Wool is not sold
by the end of this
month I will make
Mister Moody send you
a Check or Order pay-
able by Mr Moody to
you the pasture money
of this summer, of course,
Mister Moody would not
send the money before
he gets returns of
Wool but I hope that
will not be very long
anymore. I give you
leave to write to Mr Moody
to inquire ^{and} he I will state
to you because he promised
me he would do so.
Money is so scarce and
no transaction in the
Woolmarket with must-
likely, you know yourself.

Mr Fairchild you will excuse me for making you trouble of writing to Moody or taking an Order but you must believe me it troubles me a good deal. I tried to loan it but can not be got. Money is so scarce.

I like to get this same range next summer and for that to, I like to be punctual but I could not I tell as it is and I hope you think not the worst of me I have mutton sheep to sell to, but can not before October or November.

Hoping you are satisfied with an Order if Wall is not sold before Oct. first I remain resp. D. H. Stegman
