Dear Mr. Relander:

Your name was given me by Mrs. Hazel E. Mills,  
Librarian, Washington Room, Washington State Library.

I would very much like a copy of your book  
YAKIMA, WASHINGTON JUBILEE, 1855-1960.

Please let me know price of book and postage  
and I will remit at once.

I spent two perfect days in Yakima last June  
and my Yakima friends took me to view the Valley, Mount  
Rainier National Park and Fort Simcoe.

With all the ice and snow and gray days of  
the east coast I long for the dry, sunny climate of Yakima.

Enclosed please find a stamped self-addressed  
envelope for your convenience.

Thank you for your kind cooperation.

Yours very truly

Dear Mr. Relander:

Thank you very much for your letter of  
February 18th.

Please find my check for \$2.25 for one  
copy of STRANGERS ON THE LAND.

Yes, I do have an exceptional interest  
in Yakima material - that is on the city of Yakima, its  
founding, its development and most important of all its  
people.

A Yakima friend was gracious hostess  
to me last June and I was able through her kindness to  
visit Yakima for the first time, and to see Mount Rainier  
National Park and Fort Simcoe in my two days in Yakima,  
plus of course seeing the Valley from different heights  
around Yakima.

Is there any book available on this  
subject?

All best wishes in the sale of your  
book.

Sincerely

*Pauline Boury*

Dear Mr. Relander:

STRANGERS ON THE LAND arrived today. Therefore please disregard my letter of inquiry mailed to you this afternoon.

Thank you for your kind dedication. Yes, it is the "little stories" from all peoples which make up the larger history of a race or country.

I have just finished reading Chapter I. It is a sad story I am sorry to read. The cruelty of man to man seems to be a continuous story. When will it end?

As an American born easterner of French descent (both my parents were born in France) I have heard and read about Europeans immigrating to this country and their adaption to the ways and language of the United States.

Now I am about to read about a people who have been in the U.S. for many centuries and who, alas, in many instances, have been maltreated by the new comers. Of course, I have read about these conditions before, but now that I have spent a few hours in a part of the country where the Indians live, the reading will have more meaning.

Thank you for your offer to look up a copy of YAKIMA JUBILEE. Some one is mailing me a copy.

Yes, we do have inter-library loan not only within our county of Westchester, but between states, not only neighboring states, but all the way across the country. A friend does volunteer work in our County inter-Library office and has told me that books from this area have been sent to the west coast.

I think your Bookmobile service of the Yakima Public Library is a splendid service for those who are unable to go downtown to the Library. In fact, reading VALLEY ARTS SEASON which my Yakima friend sent me shows how many worthwhile activities are available to your citizens.

Thank you once again and best wishes to you in your future writings.

Sincerely

Dear Mr. Relander:

The other day I received the book someone had promised to mail me - but it turned out to be STRONGHOLD in the Yakima Country and not YAKIMA JUBILEE. It is one more book to add to my Washington book collection.

However, I am most anxious to obtain a copy of YAKIMA JUBILEE.

As you kindly offered in your letter of March 6th, would you be able to find a copy for me? I certainly would appreciate it. Please let me know its cost and I will mail you a check immediately.

Material on Washington state is so seldom written about in our eastern newspapers and magazines that I know very little about your beautiful state.

I am especially interested in its early history and settlements, in particular Yakima and its Valley.

Thank you for your offer.

With best wishes,

Sincerely

Dear Mr. Belander

The more I read your excellent book on the Lakewood Indians, the more I am appalled at the treatment the "so called" "civilized" men have treated them, & of course other Indians & minority groups.

One wonders what one can do to atone for all this cruelty.

I arrive in Lakewood on Sat. eve. 4/4 & will be in Mrs. Harrington until Sunday A.M. 4/12.

The early part of the week I will call your office & if it's convenient for you, may I have the pleasure of meeting you for a few minutes?

Until then best wishes -

Sincerely

Dear Mr. Relander,

Enclosed is a clipping which I believe will interest you.

On April 21, The Christian Science Monitor printed a letter which I wrote their Travel Editor re printing in depth information on the Northwest, and other parts of the country and to have an article on Yakima, the city and the surrounding area which it serves.

Thank you once again for taking the time to see me. I am sorry I was unable to go with you to meet your Indian friend.

The Oregon trip along the Columbia River was most enjoyable. To see the falls - Horsetail and Multonah and the area around them - gives me a thrill every time I think about them. There is so much beauty in the Northwest.

Best wishes.

Sincerely
