Dear Sir:

The WL is not being published at this time so we cannot fill your subscription order.

I won't say we did not receive the money order, but I can't find it and certainly didn't cash it. If you don't hear from me in the next 30 days, returning it, I suppose you had better ask the p.o. for a refund.

I am sorry that my absence from business trying to do other things has delayed answer.

Yours very truly,
