Washington State Historical Society
Tacoma,Wash.

Dec. 2,1965

Dear Bruce:

Three items:

1-I plan to attend the Dec. 11 quarterly board meeting, but am not like our mail men, "snow,rain and sleet" sometimes intervene . I thought we were going to have a nice winter until you sent out your board meeting announcement. That is always the sign for a Cascades storm.

2-I am enclosing a small check,made out to the society. You may relegate it to any of the funds you deem most proper. I leave that to you. I hope other small checks may follow. (Memorial or building).

3-Do any duplicates accrue in the library which could be disposable by re-sale in the following categories?(These are ones I will have working use for):

Bureau of American Ethnology,Part II, Mooney Report, Ghost Dance Religion.

Kip-Army Life on the Pacific.

McWhorter-Yellow Wolf.

Meeker-Reminiscences of Puget Sound , the Tragedy of Leischi.

Alexander Ross or Ross Cox.

No need for any reply on any of the above. I fully intend to be seeing you Dec. 11.

Sincerely
