Dear Mr. Relander:

At long last I've managed to wrap up the Loomis stuff and Montana mining map (bad shape) which I will mail today.

Thank you for your nice letter of sometime ago and for California Gold Rush issue of S.F. Newspaper and the Yakima paper with your job on the Indian gatherine; good job of reporting.

Enjoyed little talk with you on phone around Easter, hope to have pleasure of meeting you some day.

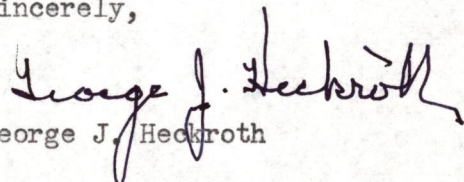

Hope you get something out of the Loomis stuff; do what you want with it and return when you are all through. Montana map is yours with my compliments, sorry such bad shape; mount on linen.

Met good friend of mine from New Jersey at South Bend, Indiana few weeks ago; scouted back this way few days. Got him good bunch early fiction and Americana. Me gather small group of Michigan and Strahorn Hand Book of Wyoming (good).

Two weeks leave from Army, last week June, first week July; can't go far, little Cocker dog miss me very much and won't eat.

Hope you have nice summer and good scouting. If you ever come this way be sure to drop in, latch string is always off and welcome mat out.

Sincerely,

  
George J. Heckroth
