Howdy, Mr. Relander!

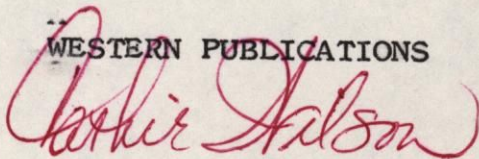

Thanks for sending the booklet "Strangers on the Land" to us. I am sure we will enjoy reading it and find it very helpful to us in our work. We will get to it just as soon as we possibly can. Right now, well. . . we are just plain snowed!

I would suggest that you send a copy to Mr. Jeff Dykes, 6692 32nd Place, N.W., Washington, D. C. He has a syndicated column on book reviews and does ours. He might be of some help to you.

Thanks again for thinking of us.

Best Wishes!
