MR. A. C. Davis, President,
Yakima Rotary Club,
Yakima, Wash.

My Dear Sir;

Kenneth Nelson, son of one of the deceased pioneers of this district, has just finished his third year at Gallaudet College for the Deaf at Washington D.C. and is very anxious to be able to finish his Senior year in order that he may be fitted to teach. We have no organization of any kind in our town, that could assist him in any way. I have thought that it might be possible that the Rotary Clubs of the valley might, in some way, be able to give this young man the necessary help to enable him to return to school this fall.

I am writing to the Toppenish Club and sincerely hope that, if unable to render any assistance, one of you may offer some suggestions that I might follow in an endeavor to help this young man.

Very truly yours,

James Bell

Before passing on your loan
We would like to have your
Record from Van. School
& also Mark D.C.

All right. But I entered
College with a scholarship
recommended by the former Rep.
John W. Summers. It is
still good for one more year.

I will write at once
I feel sure the
reports will be good

As soon as we hear
Will let you know.

You come back & see us

I will write both
schools for my scholastic
records compiled in the past.
This will not be necessary
as we are writing.
