Dear Click:

Thanks very much for sending me the clipping about the contest won by The Republic. Congratulations! Looks to me like you have been making great strides.

Thanks also for the house organ. I think it is a swell job and naturally was very interested in what Ted Robertson had to say about prospects for Wirephoto service this year. I don't know of a way to get more for your money than pictures and Wirephoto really is doing a job these days.

With best wishes for the New Year,

Sincerely,

Chief of Bureau
