Department of the Interior,^{A M P}

CENSUS OFFICE,

Washington, D. C. October 24, 1890.

Sir:

Upon examining your returns of the Yakama Reservation, I find in your General Schedule three tribes, viz: Yakama, Waco and Klickitat--statistics must be furnished for each tribe separately. You also give "one" school, but fail to furnish statistics for it.

I inclose you the necessary blank forms and will be much pleased if you will be able to furnish us the desired information speedily.

Very truly,
