Mr. Relander,

Been a long time answering, however, I would like to buy your "Life In Corea" by Curtis - 1894. I will send my check for \$7.00 or if you send the book I'll remit when it gets here whichever way you prefer.

I have "15 yrs among the Topisirs"

I cannot locate the Wilkes Naval Expedition books you mentioned, but will continue to look

Sincerely yours
C. Baldwin

Mr. Relander,

Received "Life in Korea" by Carles in fine condition. Seems that Carles actually went to Korea and wrote afterwards. It is a better type than many of the books I have on Korea.

Would like to have any material on Korea before the 1950 war.

Thanks,

Charles B. Albani

Check # 1158 - \$6.50 enclosed.
