Ck.\$2.25.

BOOK on YAKIMA INDIANS:

[Enclosure, 20 Apr 63]

Click Relander has recently written a new historiette of the Yakima Indian Nation entitled STRANGERS ON THE LAND. This book is highly reliable and offers a comprehensive study of the Yakima people. We would recommend this book to students of Indian affairs and history. Franklin Press Inc., 110 North 4th St., Yakima, Wash. is the publisher. Retail price is \$ 2.25.

Of greatest importance, however, the new congregation itself is planning to shoulder as much responsibility possible for their own building.

May we ask you to remember this congregation in your prayers - as well as Edgar Fox, Ken and Leona Harleman who serve this congregation. May we ask for your prayers of gratitude to Mr. and Mrs. Ed Wapato who did much to secure the land sale.
