Dear Mr. Relander:

Mrs. Walker referred your letter to me since I
am working with the housing program.

I should be glad to work with you to see if we
can find or make the plans you have in mind.

Perhaps you would call the office, 3-7141 ext. 54,
and we could talk a little further about your ideas.

Sincerely,

Helen K. Hunter

Dear Mr. Relander:

We haven't heard anything further from you on the inquiry for plans for a rural home. Perhaps your question has been answered, however, I wanted to be sure you had received my letter of January 26th.

Please feel free to call or write me if you still have a question concerning the home plans.

Sincerely,
