Mrs. Glenn Koenig,
The Bookmark,
Prosser, Wash.

Dear Dixie:

I thought I'd drop a note and see if Strangers on the Land is still moving, and if so, whether or not I can be of any other help to keep you "well stocked."

Reviews, etc. still dribble through. Don't know when Walla Walla paper will have one, but the Tri-Cities Herald will before long, and these, with others, might help you, sent The Record-Bulletin a copy but don't suppose they will do anything with it. Western Horseman, True West etc. will have reviews of it, and some other magazines and these, all, build up in time.

I suspect you are still stocked, since you did very well on the start for an area your size. It is still moving along here at a steady pace. Even with the small printing I think there are enough left to last through June or July. Libraries, universities etc. all over are ordering right along through the agency at Topenish, and through such things as the Library of Congress Catalog card. It has been given the number 63-1689.

Hope things are going well with you. Let me know if I can be of any other help.

Sincerely
