Dear Mr. Belander

Our civics - English class in co-operation with the library is writing to Pacific Northwest authors about their books.

The return letter will be placed on the bulletin board in the library.

I understand that you are a honorary member of the priest Basids Indians and have written a book about them.

What is the name of the book and has it been published yet?

What caused you to become interested in the indian tribes and historical sites in Washington? Thank you.

Sincerely yours,  
Dawn Deansmore
